## 8-inch ring light Function

The LED ring light has 3 light modes (white, warm yellow, warm white), 10 adjustable brightness

## How to install

1. Unfold the tripod on a flat platform.

2. Fix the metal tray to your desired height and mount the screw tightly.

3. Unscrew the Microphone boom arm, fix it on the top part of the tripod, and screw it tightly.

4. Unscrew the nut, extend the boom arm to the desired length, then screw tightly.

5. Insert a microphone (not included).

6. Remove the black head of the top of the tripod, and mount the E holder on it.

7. Mount both phone holders on the E holder.

8. Screw the ball head to the E-holder with a 1/4 inch mounting screw, tightened the screw cap after connection;

9. Screw the ring light to the tripod stand through a threaded joint with the screw cap.

10. Screw the phone clip and stick to the light

11. Unscrew the nut behind the phone clip

12. Aimed the rotation ball axis into the hole.

13. Push the axis into the nut and secure the nut.

14. Put the phone in the phone clip in a vertical or horizontal position phone clip.

15. Connect the USB cable to a USB adapter (Not included).

## Specifications

Input: DC 5V 1.8A
