1 Open battery compartment.

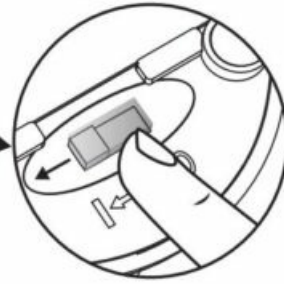

2 Power supply method

Insert 4 AAA batteries according to the battery compartment instruction, make sure the polarity is correct and put the battery cover back on (batteries are not included)

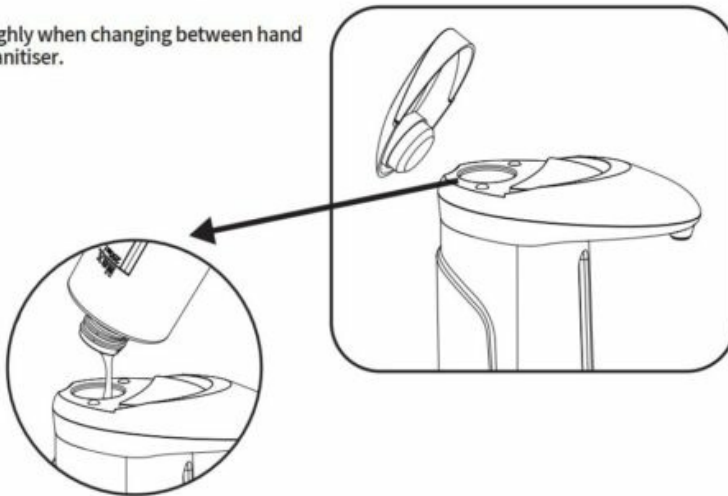

3 Switch to position I to get product started.

4 Pour in Liquid Soap or Hand Sanitizer

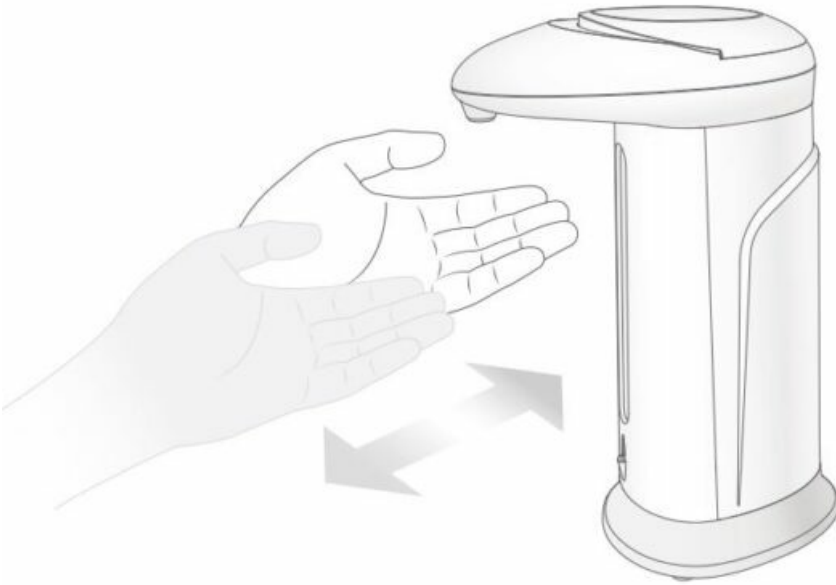

Rinse thoroughly when changing between hand wash and sanitiser.

5 Care instructions: Wipe unit with damp cloth to keep nozzle free of soap/sanitiser build up.

- 6** When using for the first time, the dispenser will need to be primed, place hand under the dispensing nozzle until soap is dispensed. Move hand away when there is sufficient soap.

- 7** Do not immerse in water and ensure that the battery compartment remains dry.
