## PRODUCT USING INSTRUCTIONS

### Animals Board Game

- 3 years +
- 2 to 4 players
- **This game includes:** 1 colour dice, 4 characters, 1 puzzle board
- **How to play:** Follow the path of coloured circles to reach the farm first! The youngest player goes first. Roll the dice and move your chosen animal to the next circle matching the colour you rolled. You can land on the same circle as another player or overtake them. When the dice lands on the cross, miss a turn. If the dice lands on the star, roll again. If a player lands on a chick, have another go. When a player gets to the end of the path, they must roll a BLUE to reach the finish. The first person to land on the farm is the winner.

### Colours Board Game

- 3 years +
- 2 to 4 players
- **This game includes:** 1 colour dice, 4 characters, 1 puzzle board
- **How to play:** A race around the board and to the finishing number 4 circle: Choose your animal and place it on its starting base. To leave your base, you must first roll an orange. Once you are in play, roll the dice and move your animal clockwise to the next circle matching the colour you rolled
- Your animal must not overtake another animal.
- However, if you land on the same circle as another player, they must take you with them until your next turn.
- When a player completes one round of the board they can enter the numbered circles above their starting base.
- To move animals towards the finish, players must roll the colour of the numbered circles. The player who reaches the green number 4 circle first is the winner.

### Bingo

- 3 years +
- 2 to 4 players
- **This game includes:** 16 animal discs and 4 bingo boards
- **Setup:** Place the animal discs face-down on the table

- Hand out the bingo boards depending on the number of players.
- 2 players receive 2 bingo boards each 3 or 4 players receive 1 bingo board each
- Put the remaining boards and the corresponding image cards aside.
- **How to play:** The youngest player goes first. Players take turns turning over a disc. The player with the matching animal on their bingo board(s) takes the disc and places it on their board. If nobody makes a match, place it back on the table. The first player to complete their board must answer the question on the back correctly, then call out “BINGO!” to win the game.

## Memory Games

- 3 years +
- 2 to 4 players.

- **This game includes:** 32 animal discs
- **Setup:** Place the animal discs face-down in rows.
- **Memory Match:** Place the animal discs face down in rows. Taking turns, each player flips over 2 discs. If they match, the player keeps them. If the images do not match, turn them back over and it's the next player's turn. Try to memorize where the images are.
- When all the animals have been matched, players count how many pairs they have made. The player with the most pairs is the winner.

## Variants:

- **Single Player:** Find all pairs in as few turns as possible.
- **Younger Players:** Use fewer cards for an easier game.
- 

- **Memory Recall:** Split the animal discs evenly between players, each player should have only one of each animal. Taking turns, one player will lay out five animal discs face up, while the other is given time to memorize them. The first player will then pick up the discs, remove one and place only four down again,
- The other player must recall which animal is missing. Continue taking turns. The player who guesses 5 rounds correctly, wins! For an extra challenge, increase the amount of playing discs for each round.
