## **Anko Motion Sensor LED Light Bar**

## Product Specifications

- **Model:** 40CM MOTION SENSOR LED LIGHT BAR
- **SKU:** 43543212
- **Technical Reference:** 70963472 SLR-24234
- **Power Source:** Lithium battery
- **Features:** LED Lamp, Infrared motion sensor, charging port, on/off button, Function button

## Product Usage Instructions

### Cleaning Instructions

1. Turn off the light bar before cleaning.
2. Do not immerse the appliance in water.
3. Clean the light bar surface with a dry cloth.
4. Do not use any lubricant, detergent, polishing agents, alcohol, steel wool, abrasive cleansers, chemicals, or corrosive liquids on the light bar.

### Battery and Light Bar Disposal

This light bar contains a lithium battery.

### To dispose of the light bar containing batteries:

1. Do not dispose of the light bar with batteries in normal household waste.
2. Hand it over to an official recycling point for proper disposal.

## **Assembly Instructions**

1. Unpack the contents included in the package: 1 motion sensor light, 2 plastic pads, a Type-C USB charging cable, and a User Manual.
2. Place the plastic pads on a suitable surface to mount the light bar securely.
3. Connect the Type-C USB charging cable to the charging port of the light bar.
4. Press the On/Off button to activate the light bar.
5. Use the function button to control additional features of the light bar.

## **Important Note**

To ensure proper operation of this light bar, please read this instruction manual carefully before using the light bar and save it for further reference.

## **Product Description**

1. LED Lamp
2. Infrared motion sensor
3. Charging port
4. On/Off button
5. Function button
6. Plastics pad
7. Type-C USB cable

## Packing Included

- 1 pcs motion sensor light
- 2 pieces of plastic pads
- Type-C USB charging cable
- User Manual

## Safety Instructions

- To ensure proper operation of this light bar, please read this instruction manual carefully before you use the light bar and save it for further reference.
- **WARNING:** Check the light bar before you use it. Do not use the light bar if it has any cracks, gaps, or other damage.
- Do not attempt to repair, disassemble, or modify the light bar by yourself to avoid accidents.
- The light source of this luminaire is not replaceable; when the light source reaches its end of life, the whole luminaire shall be replaced.
- Do not stare into the LED beam.
- This product is not suitable for household room illumination. Only used as a decorative light.

- The product is intended to be used in moderate climates only. Do not use in tropical or very humid climates.
- Children must not use this product without adult supervision.
- Do not charge the product for a long time. Plug off the charging cable after fully charged
- **CAUTION:** This light bar has a lithium battery. Do not place or store the light bar for long periods in a hot or humid environment. If you do not intend to use the light bar for a long time, store the light bar after it is fully charged.
