## **anslut 019927 Work Lamp with Magnification LED**

### **SAFETY INSTRUCTIONS**

- Only intended for indoor use.
- Never attempt to dismantle or repair the product yourself. Any repairs must be carried out by an authorised electrician.
- Pull out the plug before cleaning and maintenance.
- A damaged power cord must be replaced by an authorised service centre, or a qualified person, to ensure safe use.
- Do not connect the product to the mains while it is still in the pack.
- Do not look directly into the light when it is switched on. Never point the beam at the eyes of people or animals.
- The light source is not replaceable. Discard the product if the light source stops working.

SYMBOLS	
	Read the instructions.
	Approved in accordance with the relevant directives.
	Recycle discarded product in accordance with local regulations.
	Safety class 11.
	Risk of electric shock.

## TECHNICAL DATA

- Rated voltage 230 V ~ 50 Hz
- Output 10W
