APLISENS PMS-970T Programmable Meter

Product Information

Specifications

- **Model:** PMS-970T
- **Firmware:** v.5.00
- **Manufacturer:** APLISENS S.A.
- **Address:** ul. Morelowa 7, 03-192 Warszawa
- **Contact:** Tel. +48 22 814 07 77; Fax +48 22 814 07 78

Product Usage Instructions

Introduction

- The PMS-970T is a programmable meter designed for various applications.
- This manual provides essential information for installation, usage, and troubleshooting.

Safety

- Thoroughly read the user's manual before installation and operation.
- Installation and maintenance should be done by qualified personnel.
- Use the device within permissible parameters and for its intended purpose.
- Always disconnect the device from the power source before installation or disassembly.
- Avoid any repairs or alterations to the electronic system; contact the manufacturer for assessment and repair.

- If the device is damaged or malfunctions, stop using it immediately.

List to Check Completeness of Delivery

- Product certificate (warranty card)
- Declaration of conformity (available on request)
- Instruction Manual (available at www.aplisens.pl)

Transport and Storage

During transportation, pack the meters securely in individual or group packaging to prevent shifting and protect against weather effects.

Frequently Asked Questions

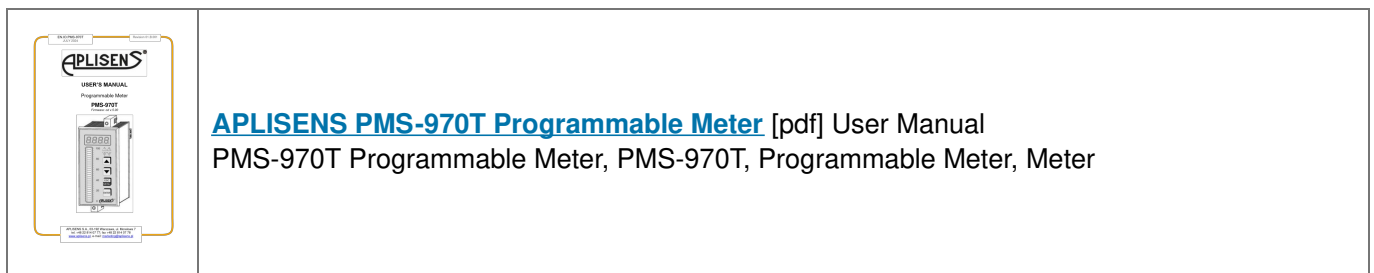

Q: Can I repair the transmitter electronic system if damaged?

A: No, repairs or alterations to the transmitter electronic system are not permitted. Contact the manufacturer or authorized representative for assessment and repair.

Q: What should I do if the device malfunctions?

A: In case of malfunction, immediately stop using the device and contact the manufacturer for further assistance.
