 iPad

**Apple iPad**

## Specifications

- **Model:** iPad
- **Manufacturer:** Apple Inc.
- **Energy Efficiency:** ENERGY STAR guidelines compliant
- **Auto-Lock Feature:** Sleeps after two minutes of user inactivity
- **Support:** [support.apple.com/guide/ipad](https://support.apple.com/guide/ipad)

Before using iPad, review the iPad User Guide at [support.apple.com/guide/ipad](https://support.apple.com/guide/ipad). Retain documentation for future reference.

## Safety and Handling

See “Safety, handling, and support” in the iPad User Guide.

### Exposure to Radio Frequency

On iPad, go to Settings > General > Legal & Regulatory > RF Exposure. Or go to [apple.com/legal/rfexposure](https://apple.com/legal/rfexposure)

## Battery and Charging

Don’t attempt to replace the iPad battery yourself—you may damage the battery, which could cause overheating, fire, and injury. The lithium-ion battery in your iPad should be serviced or recycled by Apple or an authorized service provider, and must be recycled or disposed of separately from household waste. Dispose of batteries according to your local environmental laws and guidelines. For information about Apple lithium-ion batteries and battery service and recycling, go to [apple.com/au/batteries/service-and-recycling](https://apple.com/au/batteries/service-and-recycling). For information about charging, see “Important safety information” in the iPad User Guide.

## Avoid Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at [apple.com/au/sound](https://apple.com/au/sound) and in “Important safety information” in the iPad User Guide.

## Medical Device Interference

iPad contains magnets as well as components and/or radios that may interfere with medical devices. See “Important safety information” in the iPad User Guide.

## Regulatory

Regulatory certification information is available on-device. Go to Settings > General > Legal & Regulatory. Additional regulatory information is in “Safety, handling, and support” in the iPad User Guide.

## ENERGY STAR® Compliance

iPad meets the ENERGY STAR guidelines for energy efficiency. Reducing energy consumption saves money and helps conserve valuable resources. For more information about ENERGY STAR, go to [energystar.gov](https://energystar.gov). To save energy, iPad sleeps after two minutes of user inactivity. To change this setting, go to Settings > Display & Brightness > Auto-Lock.

## Disposal and Recycling Information

The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For information about Apple's recycling program, recycling collection points, restricted substances, and other environmental initiatives, visit [apple.com/au/environment](https://apple.com/au/environment)

## Apple One-Year Limited Warranty Summary

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store or an Apple Authorized Service Provider—available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international shipping charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at [apple.com/au/legal/warranty](https://apple.com/au/legal/warranty) and [support.apple.com/en-au](https://support.apple.com/en-au), if you submit a valid claim under this warranty, Apple will either repair, replace, or refund your hardware device at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

## For Australian Consumers:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Apple Pty Ltd, PO Box A2629, Sydney South, NSW 1235. Tel: 133-622.

## (Frequently Asked Questions)

- **Q: How can I prevent hearing damage while using the iPad?**

A: Avoid listening at high volume levels for long periods. Refer to [apple.com/au/sound](https://apple.com/au/sound) for more information on sound and hearing safety.

- **Q: Where can I find regulatory certification information for the iPad?**

A: Navigate to Settings > General > Legal & Regulatory on your iPad to access regulatory certification details.
