The “Product” are designed to withstand normal operating conditions when used for their originally intended purpose in compliance with the APsystems User Manual supplied with the system. This APsystems Limited Warranty (“Limited Warranty”) covers:

1. APstorage PCS ELS Series, ELT Series for a period of ten (10) years (the “Warranty Period”);

2. the date the Product is registered in APsystems EMA portal. Upon reception of the Product, the Buyer shall make without delay any observations and reservations that would be appropriate and inform APsystems in writing. In the absence of written notification sent to the Supplier at least fifteen (15) calendar days after the receipt of the Products by the Buyer, it shall be presumed that the Products were provided to the Buyer in perfect condition and correspond to the needs of the Buyer. A Product is defective if it is inoperable because of defects in material and workmanship, provided that APsystems, through inspection, establishes the existence of that defect (“Defective Product”). During the Warranty Period, APsystems will, at its option, either (1) repair or replace the Defective Product free of charge, or (2) provide a refund to the holder of the Warranty of an amount equal to the actual value of the Defective Product at the time of the discovery of the defect.
