**Aquila BL2 Loop Light**

## Specifications

- Model: Lightbird BL2
- Manual Version: 12024-2

## Product Information:

The Lightbird BL2 is a loop light designed for indoor use. It features a sleek and modern design that adds a touch of elegance to any space. The product is manufactured by Aqila and is known for its high quality and durability.

## Product Usage Instructions:

### Installation:

Before installing the Lightbird BL2, ensure that the power source is switched off. Mount the loop light securely on a wall or ceiling using the provided mounting hardware. Make sure it is firmly attached to prevent accidents.

### Powering On/Off:

To power on the Lightbird BL2, locate the power switch on the device and turn it on. To turn off the light, simply switch the power off using the same switch.

### Adjusting Brightness:

The Lightbird BL2 offers adjustable brightness settings. Use the control buttons located on the device to increase or decrease the brightness according to your preference.

### Maintenance:

Regularly clean the surface of the loop light with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals or solvents as they may damage the product.

## FAQ

- **Q:** Can the Lightbird BL2 be used outdoors?
  - **A:** No, the Lightbird BL2 is designed for indoor use only to ensure optimal performance and longevity.
- **Q:** How can I contact customer support for further assistance?
  - **A:** You can visit our website at [www.aquila.eu](http://www.aquila.eu) or send an email to [hello@aquila.eu](mailto:hello@aquila.eu) for any inquiries or support.

## Overview

## Product parameter

Lamp beads: 9.5 m yellow light + RGB string lights + 36 SMD + XTE LEDs	
Brightness: 120-300 LM	Charging: USB-C 5V/1A
Endurance: 6-8h	Output: USB output
Splash proof: IP44	Charging time: about 5 hours
Material: PC+ABS+magnet	Product size: 108x37mm
