[2.1 References](#)

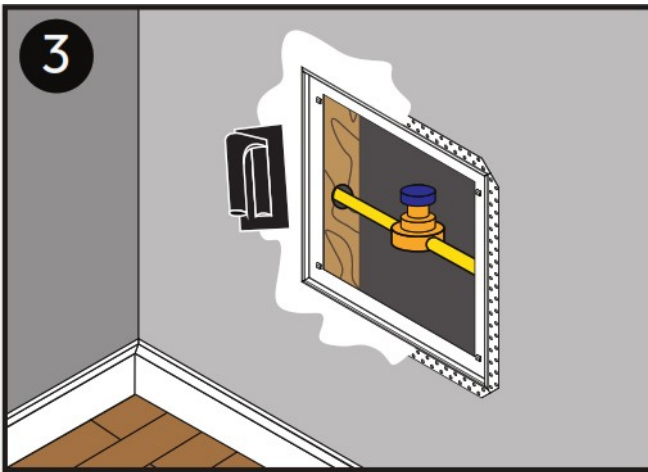

Luxe Flush Access Panel

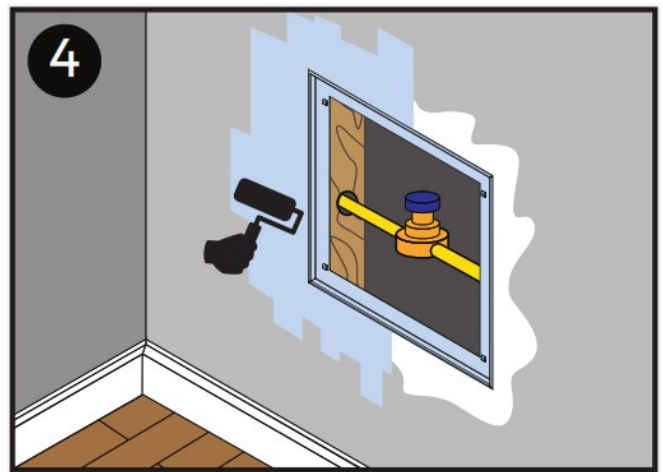

1
Locate studs behind drywall and cut a hole. Dry-fit Body into opening.

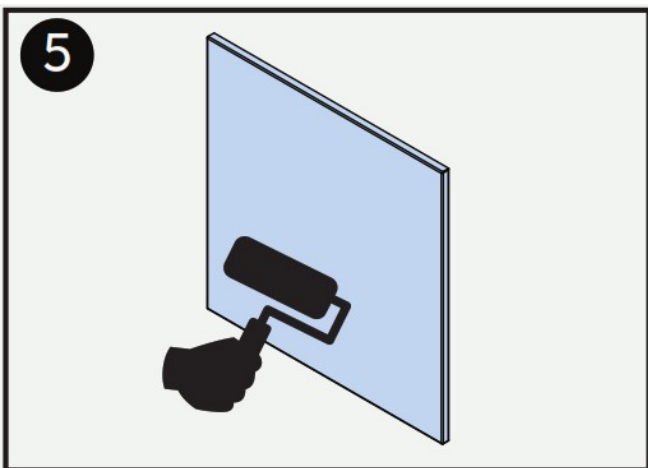

2
Ensure flange is flat to the wall. Use drywall screws to fasten.

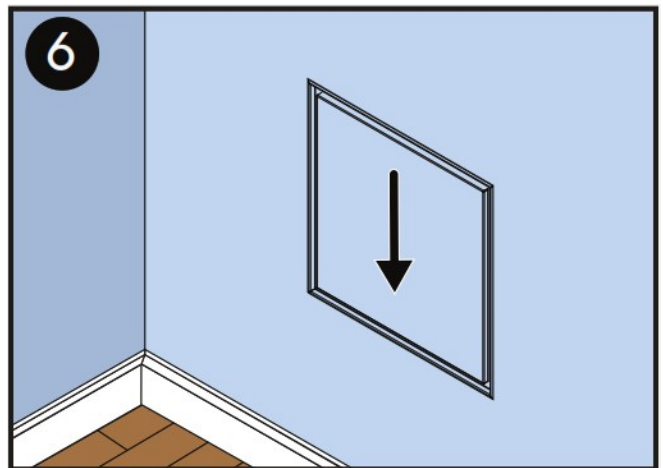

3
Use mud to cover flange surface. Wait to dry, then sand. Repeat as needed.

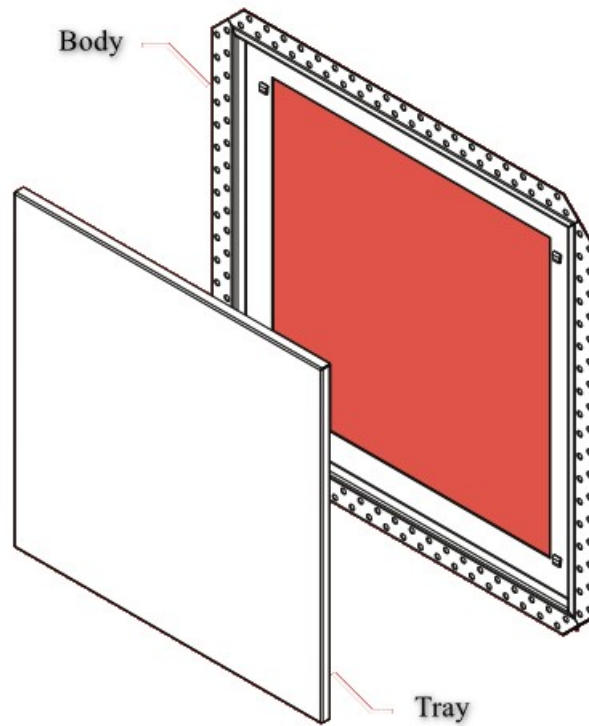

4
Paint to match wall colour. If using wallpaper, do not cover Body.

5
Paint or wallpaper Tray to match Body and surrounding wall surface.

6
Fix Tray in place by sliding it down until it locks.
