CONNECTION GUIDELINES

WARNING: connect in series only in order to keep a constant current.

SAFETY INSTRUCTIONS

- Please read these instructions before commencement of installation and pass on to the user of the equipment.
- Disconnect mains voltage before starting to install.
- This luminaire isn't suitable for looping-in connection to the mains supply.
- If in doubt consult a qualified electrician.
- This luminaire may get very warm while in use, let it cool down before touching.
- Use an appropriate driver for the power of the led and for the amount of luminaires which are going to be connected to it.
- The light source for this luminary is not replaceable; when the light source reaches the end of its useful life, the entire luminary must be substituted.

GUARANTY CERTIFICATE
