#### INSTRUCTIONS FOR RECYCLING AND DISPOSAL:

This label means that the product cannot be disposed of as other household waste throughout the EU. To prevent potential damage to the environment or human health from uncontrolled waste disposal. Recycle responsibly to promote the sustainable use of material resources. If you want to return a used device, use the drop-off and collection system, or contact the retailer from whom you bought the product. The retailer can accept the product for environmentally safe recycling. A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.

#### FAQ

**Q: Can I use rechargeable batteries with this flashlight?**

A: Yes, you can use rechargeable AAA batteries with this flashlight for environmentally friendly power.

**Q: How do I clean the lens of the flashlight?**

A: Use a soft, lint-free cloth to gently wipe the lens. Avoid using harsh chemicals or abrasive materials that may scratch the lens surface.
