ARTUSI AID2000 Induction Cooktop

Product Information

Model	AID2000
EARN	TBA
Product Dimensions (W x D x H)	800mm x 520mm x 60mm
Cutout Dimensions (W x D)	775mm x 495mm
Total Power	7200W

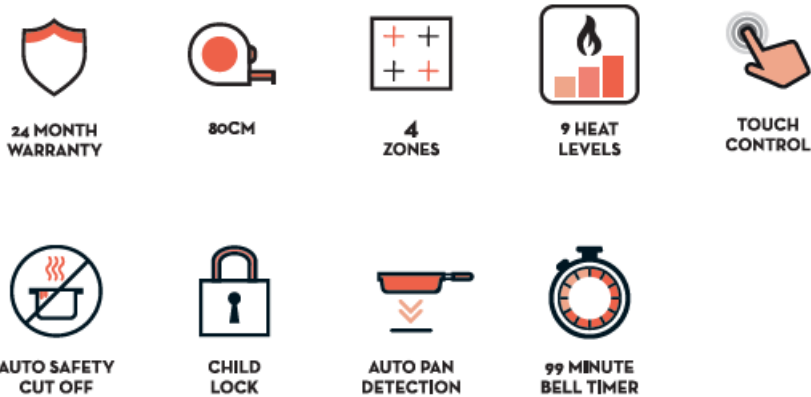

Usage Instructions

To use the 80cm Induction Cooktop (Model AID2000), please follow the instructions below:

1. Ensure that the cooktop is properly installed in a suitable location.
2. Connect the cooktop to a power source.
3. Place compatible induction cookware on the cooking zones.
4. Turn on the cooktop by pressing the power button.
5. Select the desired cooking zone by touching the corresponding control panel area.
6. Adjust the cooking power level using the power level buttons.
7. Set the desired cooking time using the timer buttons, if necessary.
8. Monitor the cooking process and make any necessary adjustments.
9. After cooking, turn off the cooktop by pressing the power button.
10. Clean the cooktop according to the cleaning instructions provided in the user guide.

Please refer to the user guide for detailed installation instructions and safety precautions.

features
