arvig MaX UC for Mobile Devices User Guide

**MaX UC for Mobile Devices
User Guide**

Contents

MaX UC for Mobile Devices
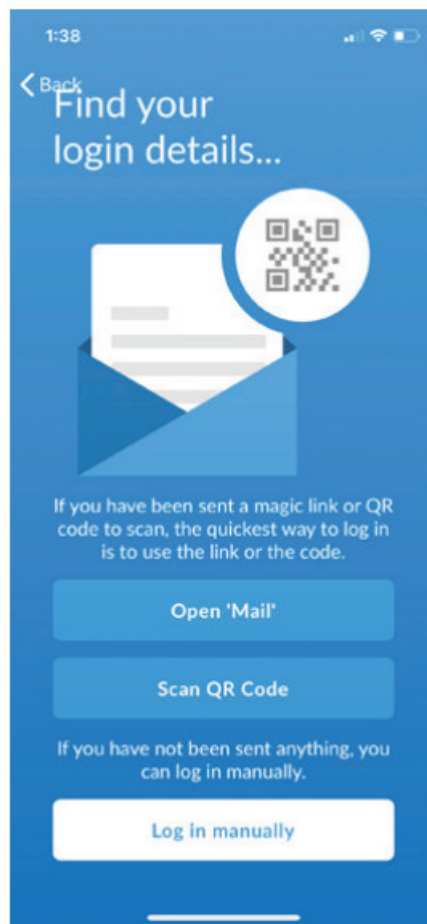

1. Search for MaX UC on your phone's app store.

2. After downloaded, if you get prompted to, Allow MaX UC to send you Notifications choose Allow.

3. Click Log in.
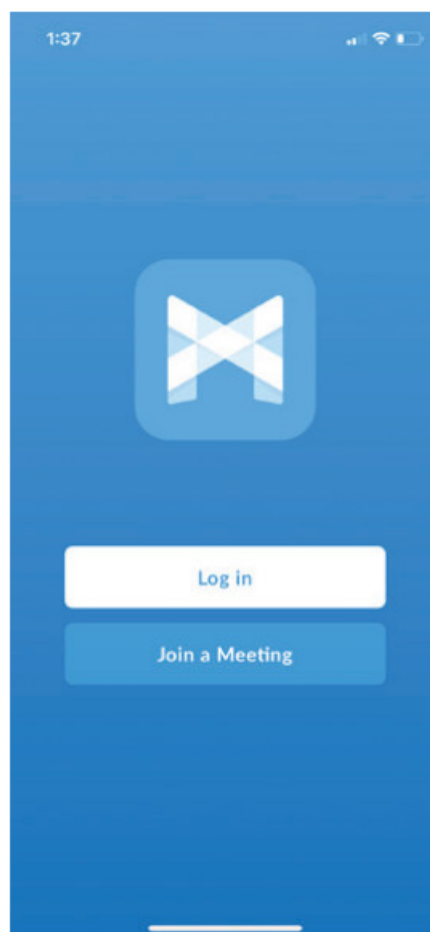

4. Click Log in Manually.

5. Choose Carrier and select Arvig Communications.

6. Click Accept & Continue.
7. Enter your 10-digit phone number and password. The default password will be given to you from your System Administrator or an Arvig Employee. Select Remember my password.

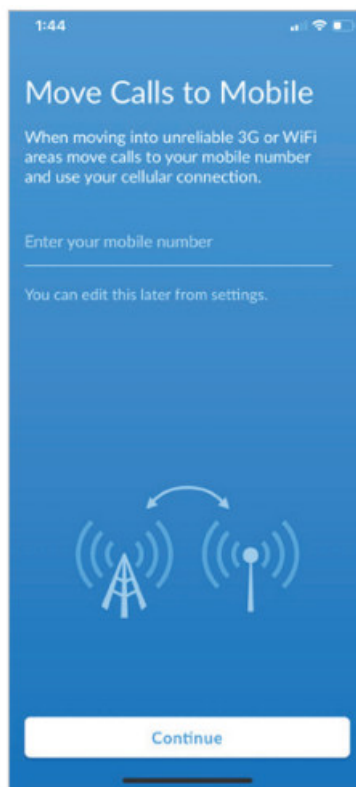

8. Enter your cell phone number.

You are now ready to use your MaX UC for your mobile device.
