Study Guide for Fundamentals of Nursing, 3rd Edition

Instruction Manual

INTRODUCTION TO YOUR STUDY GUIDE

This study guide is designed to complement *Yoost's Fundamentals of Nursing, 3rd Edition*, providing essential review and practice to help you master the core concepts and skills required for contemporary nursing practice. It offers a variety of exercises and activities to reinforce your understanding and prepare you for both classroom assessments and the Next Generation NCLEX® examinations.

HOW TO USE THIS STUDY GUIDE

To maximize your learning experience and prepare effectively, follow these guidelines:

- **Chapter Review Questions:** Engage with multiple-choice, matching, true/false, and image labeling questions to test your comprehension of nursing fundamentals.
- **Answers and Rationales:** Utilize the detailed answers and rationales provided at the back of the study guide to understand correct responses and reinforce learning.
- **Skills Performance Checklists:** Access updated, interactive, and printable skills performance checklists on the Evolve website. These resources align with the latest versions of nursing skills.

- **Next Generation NCLEX®-Style Practice Questions:** Develop your clinical judgment skills with dedicated practice questions in clinical chapters.
- **Preliminary Readings:** Refer back to the corresponding chapters in the main textbook for foundational information and deeper understanding.
- **Open-Ended Questions:** Use the provided open-ended questions and activities to facilitate productive study group discussions.

To ensure the longevity and usability of your study guide, please observe the following care instructions:

- Store the book in a cool, dry place away from direct sunlight to prevent fading and warping.
- Avoid exposing the book to moisture or extreme temperatures.
- Handle pages carefully to prevent tears or creases.
- Use bookmarks instead of folding pages to mark your place.

SPECIFICATIONS

Publisher	Elsevier
Publication Date	March 21, 2022
Edition	3rd
Language	English
Print Length	304 pages
ISBN-10	0323828140
ISBN-13	978-0323828147
Item Weight	7.6 ounces
Dimensions	8.44 x 0.4 x 10.8 inches

SUPPORT

For any questions regarding the content of this study guide or related educational resources, please contact the publisher, Elsevier, directly. Information regarding online resources, such as the Evolve website, can typically be found within the study guide itself or on the publisher's official website.
