SUZUKI Vol 1

Suzuki Piano School, Volume 1 Audio CD Instruction Manual

Companion Audio for the Suzuki Piano Method

1. INTRODUCTION TO THE SUZUKI PIANO SCHOOL, VOL 1 AUDIO CD

This Audio CD serves as a vital companion to the Suzuki Piano School, Volume 1. It is designed to support students learning piano through the Suzuki Method of Talent Education, which emphasizes listening as a fundamental aspect of musical development. The recordings on this CD feature performances by Haruko Kataoka, a co-founder of the Suzuki Piano Method, ensuring an authentic interpretation of the repertoire. The Suzuki Method, developed by Dr. Shinichi Suzuki, is based on the principle that musical ability can be nurtured in every child, similar to how they learn their native language. Consistent listening to the pieces on this CD is crucial for developing aural skills, musical memory, and an understanding of musical phrasing and tone.
