STORY OVERVIEW

The central conflict of *Crisis City* revolves around Dr. Eggman's devastating Metal Virus. This contagion transforms those it infects into mindless, metallic Zombots, rapidly spreading across cities. Sonic, known

for his speed and resilience, finds himself in a desperate race to contain the outbreak and protect his friends, even as the virus poses a direct threat to him.

Key Characters

- **Sonic the Hedgehog:** The protagonist, a super-fast hero fighting to save his world.
- **Dr. Eggman:** The primary antagonist, responsible for the Metal Virus outbreak.
- **Sonic's Friends:** Various allies who become entangled in the crisis, some even falling victim to the Zombot infection.

READING YOUR GRAPHIC NOVEL

Graphic novels combine sequential art with text to tell a story. Read panels from left to right, and top to bottom, following the flow of the narrative. Dialogue is typically contained within speech bubbles, while thought bubbles indicate a character's internal monologue. Pay attention to the artwork, as it conveys emotions, action, and setting crucial to the story.
