NATHAN Le Labo de grammaire 6e - Cahier - 2025

NATHAN Terre des Lettres - Le Labo de grammaire 6e - Cahier - 2025 Instruction Manual

Comprehensive Guide for Students and Educators

INTRODUCTION TO LE LABO DE GRAMMAIRE 6E

The *Terre des Lettres - Le Labo de grammaire 6e - Cahier - 2025* is a blended learning resource designed to enhance grammar, conjugation, and spelling skills for students following the new 6th-grade curriculum. This method integrates an activity workbook with the interactive TDLab digital platform to provide a dynamic and personalized learning experience.

This manual provides essential information for effective use of both the physical workbook and the digital platform, ensuring students can maximize their learning potential.

SETUP AND INITIAL ACCESS

Workbook Setup

The workbook is ready for immediate use. No prior setup is required. Students should have writing instruments (pen, pencil) available for completing exercises.

TDLab Platform Access

1. **Locate Access Code:** An access code for the TDLab platform is typically provided within the workbook or on a separate insert.

2. **Visit TDLab Website:** Navigate to the official TDLab platform website using a web browser. The URL is usually printed near the access code.

3. **Create/Log In to Account:** If you are a new user, follow the instructions to create a student account. If you already have an account, log in using your credentials.

4. **Enter Access Code:** Once logged in, locate the section for activating a new resource or entering an access code and input the provided code.

5. **Confirm Activation:** Follow any on-screen prompts to confirm the activation of the *Le Labo de grammaire 6e* course on your TDLab account.

Ensure a stable internet connection for optimal performance of the TDLab platform.

OPERATING INSTRUCTIONS

Using the Workbook

- **Active Learning:** Lessons are presented as exercises. Engage actively by completing each task as instructed.

- **Developing Automatic Responses:** Simple exercises are included to help students develop automatic responses to grammatical rules.

- **Critical Thinking:** Orthographic and syntactic problems are designed to foster critical thinking and problem-solving skills.

- **Improving Expression:** Supplementary exercises are provided to enrich and improve written expression.

Using the TDLab Platform

- **Associated Learning Paths:** Each sheet in the workbook has an associated learning path on the TDLab platform. It is recommended to use them in conjunction.

- **Progressive Modules:** For each learning path, there are typically two progressive modules:

  - **Learn and Memorize:** Focuses on introducing new concepts and aiding retention.
  - **Practice:** Provides exercises to apply and reinforce learned concepts.

- **Review Function:** Utilize the algorithm-powered 'review' function to revisit and reinforce concepts that have been previously covered, ensuring long-term retention.

- **Personalized Progression:** The platform's algorithm adapts to each student's pace, offering individualized learning paths for optimal progress.

MAINTENANCE

Workbook Care

- **Storage:** Store the workbook in a dry place, away from direct sunlight and extreme temperatures, to prevent damage to pages and binding.

- **Handling:** Handle the workbook with care to avoid tearing pages or damaging the spine.

- **Writing Utensils:** Use appropriate writing utensils that do not bleed through pages.

TDLab Platform Maintenance

- **Browser Updates:** Ensure your web browser is regularly updated to the latest version for compatibility and

security.

- **Internet Connection:** Maintain a stable internet connection to prevent interruptions during learning sessions.

- **Account Security:** Keep your TDLab account credentials secure and do not share them with others.

TROUBLESHOOTING

Workbook Issues

- **Missing Pages/Printing Errors:** If your workbook has missing pages or significant printing errors, contact the retailer or publisher for a replacement.

- **Difficulty with Exercises:** Review the relevant lesson content, consult your teacher, or utilize the TDLab platform's 'Learn and Memorize' modules for additional support.

TDLab Platform Issues

- **Access Code Not Working:** Double-check the code for accuracy. Ensure it has not been previously used. If issues persist, contact TDLab support.

- **Login Problems:** Verify your username and password. Use the 'Forgot Password' option if necessary. Clear browser cache and cookies, or try a different browser.

- **Platform Not Loading/Slow Performance:** Check your internet connection. Try refreshing the page. Ensure your browser is up-to-date. If the problem continues, contact TDLab technical support.

- **Content Not Displaying Correctly:** Ensure your browser's pop-up blockers are disabled for the TDLab site. Update your browser.
