MAINTENANCE

To ensure the longevity of your Barbie My Secret Diary and pen, follow these maintenance tips:

- **Diary Care:** Keep the diary away from moisture and direct sunlight to prevent damage to the pages and cover.
- **Pen Care:** Always replace the pen cap when not in use to prevent the ink from drying out and to protect

the light emitter.

- **Cleaning:** Wipe the diary cover and pen with a soft, dry cloth if they become dirty. Do not use abrasive cleaners or solvents.
- **Storage:** Store the diary and pen in a cool, dry place when not in use.

TROUBLESHOOTING

If you encounter any issues with your Barbie My Secret Diary, refer to the following common solutions:

- **Pen not writing:** Ensure the pen cap is fully removed. If the ink appears dry, gently press the tip on a scrap piece of paper a few times. If the issue persists, the ink may be depleted.
- **Light not working:** Check the batteries in the pen. Refer to the 'Battery Installation/Replacement' section for instructions. Ensure the batteries are inserted with correct polarity.
- **Writing not visible:** Make sure you are shining the pen's light directly onto the invisible ink. Ensure the room is not too brightly lit, as strong ambient light can make the invisible ink harder to see even with the pen's light.
