Santana - Audio CD Product Guide

Official Information Manual for the Debut Album

INTRODUCTION

This document provides comprehensive information regarding the **Santana** debut album, released as an Audio CD. Originally launched in 1969, this album marked a significant moment in music history, blending Latin rhythms with rock, blues, and bebop. It features the band's iconic sound, highlighted by Carlos Santana's distinctive guitar work. The 1998 reissue, which this CD represents, includes the original album tracks along with bonus live recordings from the legendary Woodstock festival.

PRODUCT OVERVIEW

Front Cover: The iconic black and white illustration of a roaring lion's head, a recognizable symbol of the Santana album.

Released in late summer 1969, Santana's first album confirmed what local San Franciscans and those who caught them at Woodstock already knew—Santana had created a fiery combination of traditional Latin rhythms and rock music that was as powerful as it was riveting. With the core band in place—Carlos Santana on guitar and vocals, Gregg Rolie on keyboards and vocals, David Brown on bass, Mike Shrieve on drums and Jose "Chepito" Areas and Mike Carabello on percussion—Santana began their journey, changing rock music forever.

SETUP

To prepare your Santana Audio CD for playback, follow these steps:

1. **Unpack the CD:** Carefully remove the Audio CD from its jewel case. Handle the CD by its edges to avoid touching the playing surface.
2. **Inspect the CD:** Before insertion, visually inspect the disc for any visible scratches, smudges, or dust. If necessary, clean the disc as described in the Maintenance section.
3. **Insert into Player:** Open the disc tray or slot of your compatible CD player (e.g., home stereo, car CD player, computer CD/DVD drive). Insert the CD with the label side facing up. Ensure it is seated correctly in the tray or fully inserted into the slot.
4. **Close Tray/Slot:** Close the disc tray or allow the player to automatically pull the disc in. The player should then begin to read the disc.

OPERATING INSTRUCTIONS

Once the CD is loaded into a compatible player, you can begin playback and navigate the tracks:

Playing the Album

- **Start Playback:** Press the 'Play' button on your CD player or remote control. The album will typically begin playing from the first track.
- **Pause/Stop:** Use the 'Pause' button to temporarily stop playback and 'Stop' to end playback.

Navigating Tracks

- **Skip Forward/Backward:** Use the 'Next Track' or 'Skip Forward' button to advance to the next song. Use the 'Previous Track' or 'Skip Backward' button to return to the beginning of the current song or the previous song.
- **Fast Forward/Rewind:** Hold down the 'Fast Forward' or 'Rewind' buttons to quickly scan through a track.

Tracklist

The Santana Audio CD features the following tracks:

1. Waiting (4:03)
2. Evil Ways (3:57)
3. Shades of Time (3:14)
4. Savor (2:47)
5. Jingo (4:21)
6. Persuasion (2:33)
7. Treat (4:43)
8. You Just Don't Care (4:34)
9. Soul Sacrifice (6:37)

Bonus Tracks (Recorded Live at The Woodstock Festival, August 16, 1969)

10. Savor (5:27)
11. Soul Sacrifice (11:39)
12. Fried Neckbones (7:13)

MAINTENANCE AND CARE

Proper care of your Audio CD will ensure its longevity and optimal playback quality:

- **Handling:** Always hold the CD by its outer edges or by placing a finger through the center hole. Avoid touching the shiny playing surface.
- **Cleaning:** If the CD becomes dirty or smudged, gently wipe it with a soft, lint-free cloth (e.g., microfiber cloth). Wipe from the center of the disc outwards in straight lines, not in a circular motion. Do not use abrasive cleaners, solvents, or harsh chemicals. For stubborn dirt, a small amount of water or a specialized CD cleaning solution can be used.
- **Storage:** Store the CD in its original jewel case or a protective sleeve when not in use. Keep CDs away from direct

sunlight, extreme temperatures, and high humidity, as these can cause warping or damage to the disc.

- **Avoid Scratches:** Be careful not to drop the CD or place it on rough surfaces, which can lead to scratches that affect playback.

TROUBLESHOOTING

If you encounter issues with your Santana Audio CD, consider the following common solutions:

- **Disc Skipping or Stuttering:**
 - Check the disc for smudges, dust, or minor scratches. Clean the disc as described in the Maintenance section.
 - Ensure the CD player is on a stable, level surface to prevent vibrations.
 - Try playing another CD to determine if the issue is with the disc or the player.
- **Disc Not Playing/Reading:**
 - Verify that the CD is inserted correctly into the player (label side up).
 - Ensure the CD player is powered on and properly connected.
 - Clean the disc thoroughly.
 - Some older CD players may have difficulty reading newer or re-mastered discs. Try the CD in a different, more modern player if available.
- **No Sound:**
 - Check the volume level on your CD player and connected audio system.
 - Ensure all audio cables are securely connected between the CD player and your amplifier/speakers.
 - Confirm that the correct input source is selected on your audio receiver.

SPECIFICATIONS

Feature	Detail
Product Title	Santana
Artist	Santana
Format	Audio CD
ASIN (Model Number)	B0000062FJ
Number of Discs	1
