2. COMPONENTS

Before starting, ensure all components are present:

- 1 x Pirate Pete figure
- 1 x Barrel
- 24 x Colored Swords (6 each of 4 different colors)

The classic barrel of laughs for all the family

3. SETUP

1. **Place Pirate Pete:** Gently push Pirate Pete into the top opening of the barrel until he clicks into place. Ensure he is fully seated and locked.
2. **Distribute Swords:** Each player selects a set of colored swords. For 2-4 players, distribute the 24 swords evenly.
3. **Randomize:** Twist Pirate Pete within the barrel to randomly select the 'pop' slot for the current game. This ensures a different outcome each time.

4. OPERATING (GAMEPLAY)

- 1. Take Turns:** Players take turns inserting one of their colored swords into any of the slots around the barrel.
- 2. Watch for the Pop:** Continue taking turns. If a player inserts a sword into the correct slot, Pirate Pete will spring out of the barrel.
- 3. Determine the Winner:** The player who makes Pirate Pete pop is out of the game. The last player remaining wins the round.
- 4. Reset and Play Again:** To start a new round, push Pirate Pete back into the barrel and twist him to randomize the 'pop' slot.

5. MAINTENANCE

The TOMY Pop Up Pirate game is constructed from durable plastic materials, making it easy to maintain.

- **Cleaning:** Wipe down the barrel, Pirate Pete figure, and swords with a damp cloth as needed. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store all components in the original box or a suitable container to prevent loss and damage. Ensure Pirate Pete is not locked into the barrel during storage to avoid stress on the spring mechanism.

6. TROUBLESHOOTING

- **Pirate Pete does not pop up:**
 - Ensure Pirate Pete is pushed down firmly until he clicks into place before starting the game.
 - Verify that the swords are inserted completely into the slots.
 - Twist Pirate Pete to randomize the 'pop' slot. Sometimes, the mechanism might need a slight adjustment.
- **Swords do not insert smoothly:**

- Check for any debris or obstructions in the barrel slots.
- Ensure the swords are aligned correctly with the slot opening.
