

Electronic Arts Madden NFL '94

Madden NFL '94 Sega Genesis Instruction Manual

Electronic Arts

1. INTRODUCTION

Welcome to Madden NFL '94 for the Sega Genesis. This manual provides essential information for setting up, playing, and understanding the features of this classic American football simulation game. Prepare to experience strategic gameplay, manage your favorite teams, and compete for the championship.

2. SETUP

2.1 Inserting the Game Cartridge

1. Ensure your Sega Genesis console is powered off.
2. Gently insert the Madden NFL '94 game cartridge into the cartridge slot on top of the console. Push firmly until it clicks into place.
3. Connect your Sega Genesis console to your television using the appropriate audio/video cables.
4. Connect your controller(s) to the controller ports on the front of the console.

2.2 Powering On

Once the cartridge is securely inserted and connections are made, power on your television and select the correct input channel. Then, press the power button on your Sega Genesis console. The game should start automatically.

3. OPERATING INSTRUCTIONS (GAMEPLAY)

3.1 Main Menu Navigation

Upon starting the game, you will be presented with the main menu. Use the directional pad on your controller to navigate through options and the 'Start' button or 'A' button to confirm selections.

3.2 Game Modes

- **Exhibition:** Play a single game against the computer or another player.
- **Season:** Compete through a full 16-game NFL season, including playoffs and the Super Bowl.
- **Playoffs:** Jump directly into the playoff bracket.
- **Super Bowl:** Play a single Super Bowl match.

3.3 Team Selection

Madden NFL '94 features a wide selection of teams:

- All 28 NFL teams from the 1993 season.
- 12 All-Time Great franchise teams.
- 38 Super Bowl teams.
- Two All-Madden teams.

3.4 Basic Controls (Sega Genesis Controller)

While specific controls may vary based on play type, the general actions are:

- **Directional Pad:** Move players, navigate menus.
- **A Button:** Pass, dive/tackle.
- **B Button:** Run, juke/spin.
- **C Button:** Kick, stiff arm/strip.
- **Start Button:** Pause game, access menu.

The game supports Electronic Arts' 4-way controller for enhanced control options.

6. TROUBLESHOOTING

6.1 Game Not Starting

- Ensure the game cartridge is fully and correctly inserted into the console.
- Verify that the console is properly connected to the television and the TV is on the correct input.
- Clean the cartridge's connector pins with a cotton swab and rubbing alcohol if issues persist. Allow to dry.

completely before reinserting.

6.2 Controller Not Responding

- Check that the controller is securely plugged into the console's controller port.
- Try using a different controller or a different port to isolate the issue.

7. MAINTENANCE

7.1 Cartridge Care

- Store the game cartridge in its original case or a protective sleeve to prevent dust and damage.
- Avoid exposing the cartridge to extreme temperatures, direct sunlight, or moisture.
- Do not touch the metal connector pins on the bottom of the cartridge.

8. WARRANTY AND SUPPORT

For information regarding product warranty or technical support, please refer to the official Electronic Arts website or contact their customer service department. Specific warranty details may vary based on region and purchase date.
