# Mortal Kombat II Super Nintendo Entertainment System Instruction Manual

Model: SNS P 28

## INTRODUCTION

---

Welcome to the world of Mortal Kombat II. This manual provides essential information for setting up, operating, and maintaining your game cartridge for the Super Nintendo Entertainment System. Mortal Kombat II is a fighting game that expands upon its predecessor with new characters, enhanced gameplay, and additional finishing moves.

## SETUP AND INSTALLATION

---

To begin playing Mortal Kombat II, follow these steps to properly install the game cartridge into your Super Nintendo Entertainment System console.

1. **Power Off:** Ensure your Super Nintendo Entertainment System console is powered off before inserting or removing the game cartridge.
2. **Insert Cartridge:** Gently insert the Mortal Kombat II game cartridge into the cartridge slot on your console. Push down firmly until it clicks into place.
3. **Power On:** Turn on your Super Nintendo Entertainment System console. The game should now load.

Refer to the image below for a visual of the game cartridge and important handling instructions.

## OPERATING INSTRUCTIONS (GAMEPLAY)

---

Mortal Kombat II offers an enhanced fighting experience with a diverse roster of characters and various gameplay modes.

### Game Overview

The game features 12 playable characters, including returning favorites and new combatants such as Kitana, Mileena, and Baraka. The objective is to defeat a series of opponents in one-on-one combat, utilizing each character's unique special moves and fighting styles.

### Gameplay Mechanics

- **Controls:** The gameplay features smoother controls compared to its predecessor, allowing for more precise movements and attacks.
- **Combos:** Execute faster and more fluid combos to inflict significant damage on opponents.
- **Character Moves:** Each character possesses a balanced set of unique special moves, projectiles, and defensive maneuvers. Experiment to discover each fighter's full potential.

### Finishing Moves

Mortal Kombat II introduces a variety of finishing moves that can be performed at the end of a match when the opponent is dazed:

- **Fatalities:** Brutal finishing moves unique to each character.
- **Babalities:** Transform your opponent into a baby.
- **Friendships:** Perform a non-violent, humorous action with your opponent.

### Stages and Secrets

Engage in combat across classic stages such as The Dead Pool, The Living Forest, and The Pit II. The game also includes secret fights and hidden characters that can be discovered through specific gameplay actions.

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Mortal Kombat II game cartridge.

- **Regular Cleaning:** This game pak must be cleaned regularly. Use a Super NES Cleaning Kit or a soft, lint-free cloth lightly dampened with isopropyl alcohol to clean the gold-plated connector pins.
- **Storage:** Store the cartridge in its original case or a protective sleeve to prevent dust accumulation and physical damage.
- **Handling:** Avoid touching the connector pins directly with your fingers, as oils and dirt can interfere with connectivity.

## TROUBLESHOOTING

If you encounter issues while playing Mortal Kombat II, consider the following troubleshooting steps:

- **Game Not Starting:** Ensure the cartridge is fully and correctly inserted into the console. Power off and on the console. Clean the cartridge connector pins as described in the Maintenance section.
- **Freezing or Glitches:** This can often be resolved by cleaning the cartridge pins. Ensure the console's ventilation is not blocked to prevent overheating.
- **No Audio/Video:** Check all cable connections between the console and your television. Ensure the TV input is set correctly.

If problems persist after attempting these steps, consult the Super Nintendo Entertainment System console's instruction manual for further guidance or contact a qualified technician.
