OXO 32480

OXO Good Grips Large Salad Spinner Instruction Manual

Model: 32480

INTRODUCTION

The OXO Good Grips Large Salad Spinner is designed to efficiently wash and dry salad greens, fruits, and vegetables. Its innovative one-handed pump mechanism and instant brake feature simplify food preparation, ensuring your produce is clean and ready for consumption. This manual provides essential information for the proper use and care of your salad spinner.

Image: The OXO Good Grips Large Salad Spinner, showcasing its clear bowl and basket filled with fresh salad greens.

SETUP

1. **Unpack Components:** Carefully remove all parts from the packaging. The salad spinner consists of a clear outer bowl, an inner colander basket, and a lid with a pump mechanism.
2. **Initial Cleaning:** Before first use, wash all components (bowl, basket, and lid) with warm, soapy water. Rinse thoroughly and dry. All parts are dishwasher safe (top rack recommended).
3. **Assembly:** Place the inner colander basket inside the clear outer bowl. Position the lid securely on top of the bowl, ensuring it is properly aligned.

OPERATING INSTRUCTIONS

Washing and Drying Greens

1. **Prepare Produce:** Place washed salad greens, herbs, or fruits into the inner colander basket. Do not overfill the basket to allow for effective spinning.
2. **Secure Lid:** Place the lid onto the outer bowl, ensuring it is seated firmly.
3. **Initiate Spinning:** Press the soft, non-slip pump knob located on the center of the lid. Repeatedly press the knob to generate centrifugal force, which removes water from the produce.

Forceful spin, instant stop

Brake button and non-slip base for effortless control

Image: A hand demonstrating the one-touch pump operation of the salad spinner.

4. **Stop Spinning:** To stop the spinning action, press the built-in brake button located on the lid. This will instantly halt the basket.
5. **Remove Water:** Carefully remove the lid. Lift the inner colander basket to drain any accumulated water from the outer bowl. Discard the water.
6. **Serve or Store:** Your produce is now dry and ready to be served or stored. The outer bowl can also be used as a serving bowl.

Storage

For compact storage, press the pump handle down completely and slide the storage lock into place. This locks the pump flush with the lid, allowing for easy stacking and storage in cabinets.

Lid stores flat

Pump handle locks in place for stacking and storing

MAINTENANCE AND CLEANING

Regular cleaning ensures the longevity and hygiene of your OXO Good Grips Large Salad Spinner.

- **Disassembly:** The lid is designed to come apart for thorough cleaning. Gently twist the top section of the lid from the center plunger to separate the components.
- **Washing:** Wash all parts (outer bowl, inner basket, and lid components) with warm, soapy water. A soft brush may be used for hard-to-reach areas.
- **Dishwasher Safe:** All components are dishwasher safe. For best results and to prevent potential warping, place them on the top rack of your dishwasher.
- **Drying:** Ensure all parts are completely dry before reassembling and storing to prevent moisture buildup.

Lid comes apart to clean

No moisture, no mold—dishwasher safe design

TROUBLESHOOTING

Spinner mechanism feels stiff or stops working:

The internal mechanism may require realignment. Disassemble the lid by gently twisting the top section from the center plunger. Inspect for any misaligned springs or rods. Carefully realign them and reassemble the lid, ensuring all parts fit correctly. Test the pump action after reassembly.

Produce not drying effectively:

Ensure the basket is not overfilled, as this can impede proper spinning. Also, verify that the lid is securely placed on the bowl before operating the pump. Increase the number of pump cycles for drier results.

Lid does not lock down for storage:

Ensure the pump handle is fully depressed before attempting to slide the storage lock into place. If it still does not lock, check for any obstructions around the locking mechanism.

SPECIFICATIONS

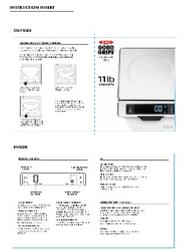

Feature	Detail
Model Number	32480
Product Dimensions	6.75 x 10.25 x 10.25 inches
Item Weight	2.5 pounds
Outer Bowl Capacity	6.22 quarts (5.9 liters)
Inner Basket Capacity	4.4 quarts (4.1 liters)
Material	BPA-free plastic
Care Instructions	Dishwasher safe (top rack recommended)
