Capcom Marvel Vs. Capcom: Clash of Super Heroes PlayStation Instruction Manual

Model: B00004R9IC | Brand: Capcom

1. INTRODUCTION

This manual provides essential information for operating the Marvel Vs. Capcom: Clash of Super Heroes game on your PlayStation console. Please read it thoroughly to ensure proper setup and enjoyment of the game.
Marvel Vs. Capcom: Clash of Super Heroes is a fighting game featuring characters from both the Marvel Comics and Capcom universes. This PlayStation version offers a unique gameplay experience adapted for the console's capabilities.

2. PRODUCT OVERVIEW

This game is designed for the original PlayStation console. It features a roster of characters from both Marvel and Capcom, engaging in 2D fighting combat. The PlayStation version adapts the arcade experience, focusing on two-fighter battles due to hardware limitations.

3. SETUP INSTRUCTIONS

1. **Console Preparation:** Ensure your PlayStation console is properly connected to a power source and a television or display unit.

2. **Controller Connection:** Connect your PlayStation controller(s) to the console's controller ports.

3. **Disc Insertion:** Open the PlayStation console's disc tray. Carefully place the Marvel Vs. Capcom: Clash of Super Heroes game disc into the tray with the label side facing up. Close the disc tray.

4. **Power On:** Turn on your television/display and then power on your PlayStation console.

5. **Game Start:** The game should load automatically. If it does not, navigate to the game icon on the PlayStation menu and select it to start.

4. OPERATING INSTRUCTIONS

4.1 Basic Controls

The game utilizes the standard PlayStation controller. Specific button assignments for attacks, jumps, and special moves are detailed within the in-game options or the physical game manual (if included). Generally, the directional pad controls movement, and the face buttons (Triangle, Circle, X, Square) and shoulder buttons (L1, L2, R1, R2) are used for various actions.

4.2 Gameplay Modes

- **Arcade Mode:** Progress through a series of opponents to reach the final boss.
- **Versus Mode:** Engage in head-to-head combat against another player or the computer.
- **Training Mode:** Practice moves and combos without time limits or health bars.

4.3 Character Selection

At the character selection screen, use the directional pad to highlight your desired character and press a designated button (e.g., X or Circle) to confirm. You will typically select a main fighter and a helper character.

4.4 Combat Mechanics

- **Basic Attacks:** Combinations of light, medium, and heavy punches and kicks.
- **Special Moves:** Executed with specific directional inputs and button presses. Refer to the in-game command list for details.
- **Super Combos:** Powerful attacks requiring a full Super Combo gauge.
- **Helper System:** Call upon your selected helper character for a quick assist attack during battle.

5. MAINTENANCE AND CARE

- **Disc Handling:** Always hold the game disc by its edges. Avoid touching the reflective surface to prevent fingerprints and scratches.
- **Cleaning:** If the disc becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners or solvents.
- **Storage:** Store the game disc in its original case when not in use to protect it from dust and damage. Keep it away from direct sunlight and extreme temperatures.
- **Console Care:** Ensure your PlayStation console is kept in a well-ventilated area to prevent overheating. Regularly clean dust from the console's vents.

6. TROUBLESHOOTING

| Problem	Possible Cause	Solution
Game does not load.	Disc is dirty or scratched; console disc drive issue.	Clean the disc. Inspect for deep scratches. Ensure the disc is inserted correctly. Try another game disc to check console functionality.
Controller not responding.	Controller not properly connected; faulty controller.	Ensure the controller cable is securely plugged into the console. Try a different controller or port.
Audio or video issues.	Loose AV cables; incorrect TV input.	Check all audio/video cable connections between the console and TV. Verify the TV is on the correct input channel.
Game freezes or crashes.	Disc error; console overheating; software glitch.	Clean the disc. Ensure console ventilation is clear. Restart the console. If issues persist, the disc may be damaged.
