

## Farberware FULST11

# Farberware Tabletop Knife Sharpener FULST11 Instruction Manual

## 1. PRODUCT OVERVIEW

The Farberware Tabletop Knife Sharpener is designed to restore a sharp, fine edge to cutlery. It utilizes ceramic rods to achieve optimal knife angles for effective sharpening. This sharpener features a contoured body for a secure grip and a non-slip bottom for stability during use.

*Image 1.1: Front view of the Farberware Tabletop Knife Sharpener.*

Key features include:

- **Ceramic Rods:** Designed to sharpen and restore fine-edge cutlery.
- **Ergonomic Grip:** Contoured body for comfortable and secure handling.
- **Non-slip Base:** Provides stability during the sharpening process.
- **Lightweight Construction:** Made from durable plastic for easy storage and portability.

### 3. OPERATING INSTRUCTIONS

---

Follow these steps to sharpen your knives effectively:

1. Hold the sharpener firmly with one hand on a stable surface.
2. At a 90-degree angle, insert the knife blade into the sharpening slot.
3. With moderate downward pressure, pull the knife blade through the sharpening slot towards you.
4. Repeat this action as needed until the desired sharpness is achieved.

**Important Safety Note:** Do not use this sharpener with serrated knives. Always exercise caution when handling sharp objects.

**FARBERWARE®**

**Sharpening  
Instructions:**

1. At a 90 degree angle, insert the knife blade into the sharpening slot
2. With moderate pressure, press down and pull the knife blade through the sharpening slot toward you
