Konami The Goonies II

Konami The Goonies II NES Game Instruction Manual

Official Guide for Nintendo Entertainment System

INTRODUCTION

Welcome to The Goonies II, an adventure game developed by Konami for the Nintendo Entertainment System (NES). In this game, you assume the role of Mikey, the last remaining Goonie, tasked with rescuing your friends who have been kidnapped by Ma Fratelli and her sons. Your mission involves navigating through various dangerous environments, battling foes, and solving puzzles to free your fellow Goonies.

This image displays the back of The Goonies II game cartridge box. It features the game title, a tagline, and a detailed description of the game's premise. Several small screenshots illustrate different gameplay environments, including an underwater scene, an indoor shack, and an outdoor area with a bridge. The Konami logo and copyright information are also visible.

SETUP

1. **Console Compatibility:** Ensure you are using a compatible Nintendo Entertainment System (NES) console.

2. **Insert Game Pak:** With the NES console powered off, carefully insert The Goonies II Game Pak into the console's cartridge slot. Press down firmly until it clicks into place.
3. **Power On:** Turn on your NES console and television. The game should load automatically. If the game does not start, refer to the Troubleshooting section.

OPERATING INSTRUCTIONS AND GAMEPLAY

Objective

Your primary goal is to rescue all your kidnapped friends. This requires exploring diverse locations, defeating enemies, and uncovering secrets.

Basic Controls (Standard NES Controller)

- **Directional Pad (D-Pad):** Move Mikey left, right, up, and down.
- **A Button:** Jump or perform primary action.
- **B Button:** Use equipped weapon or secondary action.
- **Start Button:** Pause game, access inventory/menu.
- **Select Button:** Cycle through inventory items (if applicable).

Gameplay Elements

- **Exploration:** Traverse various environments including a spooky shack, slippery ice cavern, secret underground sea, eerie attic, cellars, and hidden caverns.
- **Combat:** Encounter and fight numerous enemies such as snakes, spiders, skeletons, and man-eating fish.
- **Weapons and Items:** Discover and utilize a variety of tools to aid your quest, including your trusty yo-yo, boomerangs, a gun, bombs, molotov cocktails, and scuba gear.
- **Puzzles and Mysteries:** Solve environmental puzzles and uncover hidden secrets to progress through the game and locate your friends.
- **Password System:** The game features a password system, allowing players to save their progress and resume their adventure at a later time.
- **Player Count:** This game supports 1 player.

MAINTENANCE

- **Cartridge Cleaning:** If the game experiences issues, gently clean the gold connector pins on the bottom of the Game Pak with a cotton swab lightly dampened with rubbing alcohol. Allow to dry completely before re-inserting into the console.
- **Storage:** Store the Game Pak in its original casing or a protective sleeve in a cool, dry place away from direct sunlight, extreme temperatures, and dust.
- **Handling:** Avoid touching the connector pins directly with your fingers to prevent oil and dirt transfer.

TROUBLESHOOTING

- **Game Does Not Start:**
 - Ensure the Game Pak is fully inserted into the NES console.
 - Clean the cartridge connector pins as described in the Maintenance section.
 - Verify that your NES console is properly connected to your television and power source.
- **Graphical Glitches or Freezing:**

- Remove the Game Pak, clean the connectors, and re-insert it.
- Ensure the console and Game Pak are not exposed to excessive heat.
