HP NW239AA#B12

HP 10bII Financial Calculator User Manual

Model: NW239AA#B12

Introduction

The HP 10bII Financial Calculator is a powerful tool designed for business, finance, mathematics, and statistics. It features over 100 built-in functions to assist students and professionals in various calculations. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your calculator.
Key features include:

- Over 100 built-in functions for diverse applications.
- Algebraic data entry system for intuitive operation.
- Logical and intuitive keyboard layout with easy-to-read labels.
- Adjustable contrast display for optimal viewing.
- Compact and sturdy design for portability.

Setup

Battery Installation

The HP 10bII calculator requires two Lithium Metal batteries (included). To install or replace batteries:

1. Locate the battery compartment cover on the back of the calculator.
2. Carefully slide the cover off.
3. Insert the two Lithium Metal batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover, ensuring it clicks securely into place.

Figure 1: Back view of the HP 10bII Financial Calculator, illustrating the battery compartment and the included protective carrying case. The battery compartment is located at the bottom center of the calculator's rear panel.

Initial Power On

After installing the batteries, press the **ON** button to power on the calculator. The LCD screen should display a clear reading. If the display is dim, adjust the contrast as needed (refer to the Operating section for display adjustments).

Operating the Calculator

The HP 10bII utilizes an algebraic entry system, making it straightforward to input equations. The calculator's LCD screen displays up to 12 characters on one line of text.

Basic Operations

Perform standard arithmetic operations using the number keys and operators (**+**, **-**, **x**, **÷**). Press **=** to calculate the result.

Financial Functions

The 10bII is equipped with extensive financial functions, including:

- **Time Value of Money (TVM):** Calculate loan payments, interest rates, amortization, savings, and leasing. Use the dedicated TVM keys (N, I/YR, PV, PMT, FV).
- **Cash Flow Analysis:** Perform discounted cash-flow analyses with 15 functions. Input cash flows using the CFj and Nj keys.

- **Interest Conversion:** Convert between nominal and effective interest rates.

Statistical Functions

For statistical analysis, the calculator supports:

- Cumulative statistical analysis.
- Calculation of standard deviation, mean, and weighted mean.
- Forecasting and correlation coefficient determination.

Memory Functions

Store and recall values using the memory keys (STO, RCL). Refer to the full user manual for advanced memory operations and register usage.

Maintenance

Cleaning

To clean your calculator, use a soft, dry cloth. For stubborn marks, slightly dampen the cloth with water. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the calculator's casing and display.

Storage

When not in use, store the calculator in its protective carrying case to prevent scratches and damage. Keep it away from extreme temperatures, direct sunlight, and high humidity. If storing for an extended period, consider removing the batteries to prevent leakage.

Troubleshooting

Calculator Does Not Turn On

- Ensure batteries are correctly installed with proper polarity.
- Replace old or depleted batteries with new ones.
- Press the **ON** button firmly.

Display is Dim or Blank

- Check and replace batteries if necessary.
- Adjust the display contrast (refer to the full user manual for specific instructions on contrast adjustment).

Incorrect Calculation Results

- Verify that the correct mode (e.g., financial, statistical) is selected for your calculation.
- Clear any previous calculations or memory registers before starting a new calculation.
- Double-check your input values and formula.

Specifications

Feature	Detail
Brand	HP
Model Name	hp 10bii
Model Number	NW239AA#B12
Calculator Type	Business, Financial
Power Source	Battery Powered
Number of Batteries	2 Lithium Metal batteries (included)
Display Type	LCD
Screen Size	0.66 inches
Color	Black, White
Enclosure Material	Plastic
Item Weight	8 ounces

Warranty and Support

Warranty Information

The HP 10bII Financial Calculator comes with a standard 1-year warranty from the date of purchase. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims.

Customer Support

For further assistance, technical support, or detailed product documentation, please visit the official HP support website or refer to the comprehensive user manual provided with your calculator. You can often find FAQs and troubleshooting guides online.
