CorningWare 6002276

CorningWare French White 3-Piece Bake/Serve Set Instruction Manual

Model: 6002276

Introduction

This instruction manual provides essential information for the safe and effective use of your CorningWare French White 3-Piece Bake/Serve Set. This set is designed for versatile use in baking, serving, and storing food. The durable stoneware material ensures longevity and performance in various kitchen environments.

Product Components

Your CorningWare French White 3-Piece Bake/Serve Set includes the following items:

- **One (1) 2-1/2-quart Oval Dish with Glass Cover:** Ideal for larger casseroles and roasts.
- **One (1) 1-1/2-quart Oval Dish:** Suitable for smaller portions or side dishes.

The dishes are constructed from durable stoneware, and the cover is made of glass.

This image displays the retail packaging for the CorningWare French White 3-Piece Bake/Serve Set. The box features an image of the white fluted bakeware dishes, one filled with cooked vegetables, and a glass cover. The CorningWare and French White brand names are prominently displayed.

Setup and First Use

1. **Unpack:** Carefully remove all components from the packaging.
2. **Inspect:** Check all dishes and the glass cover for any signs of damage or defects. Do not use if damaged.
3. **Wash:** Before initial use, wash all dishes and the glass cover thoroughly with warm, soapy water. Rinse completely and dry.

Operating Instructions

CorningWare French White bakeware is designed for versatility in your kitchen.

- **Oven Use:** The stoneware dishes are oven safe. Glass covers are also oven safe, typically up to 425°F (218°C). Avoid placing hot dishes directly on cold surfaces or vice versa to prevent thermal shock.
- **Microwave Use:** Both the stoneware dishes and glass covers are safe for microwave use.
- **Refrigerator and Freezer Use:** The dishes are safe for storing food in the refrigerator and freezer. Allow frozen dishes to reach room temperature before placing them in a preheated oven.
- **Serving:** The classic French White design allows for elegant oven-to-table serving.
- **Avoid Direct Heat:** Do not use CorningWare stoneware on stovetops, under broiler elements, or over any other direct heat source.

Care and Maintenance

Proper care will ensure the longevity of your CorningWare bakeware.

- **Dishwasher Safe:** All components of the set are dishwasher safe for convenient cleaning.
- **Hand Washing:** For hand washing, use warm, soapy water and a non-abrasive sponge or cloth.
- **Stain Resistance:** The non-porous surface of the stoneware resists absorbing food odors, flavors, and stains, making cleaning easier.
- **Stubborn Food Residue:** For baked-on food, soak the dish in warm, soapy water before cleaning. A plastic or nylon scouring pad can be used for gentle scrubbing. Avoid metal scouring pads or abrasive cleaners, which can scratch the surface.
- **Storage:** Store dishes carefully to prevent chipping or cracking.

Troubleshooting

- **Food Sticking:** Ensure dishes are adequately greased or lined when baking foods prone to sticking.
- **Chipping or Cracking:** CorningWare material is designed to resist chipping and cracking. However, extreme temperature changes (thermal shock) or impact can cause damage. Always allow dishes to cool gradually and avoid dropping them.
- **Cloudy Glass Cover:** If the glass cover appears cloudy after washing, it may be due to hard water deposits. Try soaking it in white vinegar for a few minutes, then washing and rinsing.

Specifications

Brand	CorningWare
Model Number	6002276
UPC	071160022768
Material	Stoneware (dishes), Glass (cover)
Set Size	3-piece
