MAINTENANCE AND CARE

Proper care of your Cybercity DVD will ensure its longevity and optimal playback quality.

- **Handling:** Always hold the DVD by its edges or by placing a finger through the center hole. Avoid touching the shiny playback surface.
- **Cleaning:** If the disc becomes dirty or smudged, gently wipe it with a soft, lint-free cloth. Wipe from the center of the disc outwards in a straight line, not in a circular motion. Do not use abrasive cleaners or solvents.
- **Storage:** Store the DVD in its original case, away from direct sunlight, extreme temperatures, and high humidity.
- **Avoid Scratches:** Do not place the disc on rough surfaces or allow it to come into contact with sharp objects.
