1. PRODUCT OVERVIEW

Dave Mirra Freestyle BMX 2 for Xbox offers an immersive BMX experience. This game allows players to create custom riders, design BMX parks, and perform over 1,500 unique freestyle tricks. Featuring 14 professional BMX riders, including Dave Mirra and Ryan Nyquist, the game provides extensive gameplay across 8 large levels, which are four times larger than previous versions. The innovative S.I.K. trick system enhances gameplay with new grind, wall ride, manual, and lip trick modifiers.

Key Features:

- Features 10-time world champion and 11-time X-Games champion, Dave Mirra.
- State-of-the-art Park Editor for creating custom BMX experiences.
- Roster of 14 BMX pros, including Dave Mirra, Ryan Nyquist, and Rick Moliterno.
- 8 massive levels, significantly larger than previous iterations, designed for vert, dirt, street, and park riding, including Camp Woodward.
- Innovative S.I.K. trick system with new grind, wall ride, manual, and lip trick modifiers, enabling over 1,500 tricks.

2.2 Controller Configuration

The game is designed for the standard Xbox controller. No special configuration is typically required. Refer to the in-game options menu for specific button remapping or sensitivity adjustments if desired.

3. OPERATING THE GAME (GAMEPLAY)

3.1 Basic Controls

While specific button layouts are detailed within the game's pause menu, general controls typically involve:

- **Left Analog Stick:** Steering and movement.
- **Right Analog Stick:** Camera control.
- **A Button:** Jump/Ollie.
- **B Button:** Grind/Manual.
- **X Button:** Grab tricks.
- **Y Button:** Flip tricks.
- **Left/Right Triggers:** Modifiers for advanced tricks.
- **D-Pad:** Menu navigation, specific in-game actions.

Note: Consult the in-game tutorial or pause menu for a comprehensive list of controls and trick combinations.

3.2 Game Modes

Dave Mirra Freestyle BMX 2 offers various modes to explore:

- **Career Mode:** Progress through challenges, earn respect, and unlock new content.
- **Free Ride:** Explore levels without objectives, practicing tricks and discovering secrets.
- **Multiplayer:** Compete with up to 12 players in various game types, including an extreme bikathlon.
- **Park Editor:** Design and build your own custom BMX parks.

3.3 Performing Tricks

The game features an extensive trick system with over 1,500 moves. Combine jump buttons with directional inputs and modifier buttons (triggers) to execute various grinds, manuals, flips, grabs, and lip tricks. Experimentation is key to mastering the trick system and achieving high scores.

4. MAINTENANCE

4.1 Game Disc Care

- Always handle the disc by its edges to avoid fingerprints and scratches.
- Store the disc in its original case when not in use.
- To clean the disc, gently wipe from the center outwards with a soft, lint-free cloth. Do not use abrasive cleaners or solvents.
- Avoid exposing the disc to direct sunlight or extreme temperatures.

4.2 Console Maintenance

Keep your Xbox console in a well-ventilated area to prevent overheating. Regularly dust the console's vents to ensure proper airflow. Refer to your Xbox console's official manual for detailed maintenance instructions.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Game does not load or freezes.	Disc is dirty or scratched; console disc drive issue.	Clean the game disc carefully. Try the disc in another Xbox console if available. Ensure the console's disc drive is functioning correctly.
Framerate issues or slowdowns (especially on Xbox 360).	Compatibility issues when playing original Xbox games on Xbox 360.	This is a known issue for some original Xbox games played on Xbox 360 due to emulation. Ensure your Xbox 360 has the latest backward compatibility updates. Performance may vary and is not always resolvable.
Controller input not responding.	Controller not connected; battery low (wireless); controller malfunction.	Check controller connection. Replace batteries if wireless. Try a different controller.
No sound or distorted audio.	Audio cables loose; TV/receiver volume low; in-game audio settings.	Check all audio connections. Adjust TV/receiver volume. Verify in-game audio settings.

7. SUPPORT AND WARRANTY

7.1 Technical Support

For technical assistance with Dave Mirra Freestyle BMX 2, please refer to the official ACTIVISION support website or the game publisher's (Acclaim Studios) archived support resources. Due to the age of the product, direct support may be limited. Community forums and fan wikis can also be valuable resources for gameplay tips and troubleshooting.

7.2 Product Warranty

Specific warranty information for this product is typically provided within the original game packaging. Given the release date of November 15, 2001, any manufacturer's warranty would likely have expired. For purchases of used copies, warranty coverage is generally not applicable. Please consult your retailer's return policy for any issues with a recent purchase.
