

Dirt Devil 082500

Dirt Devil Breeze Bagless Canister Vacuum (Model 082500) Instruction Manual

1. INTRODUCTION

This manual provides essential information for the safe and efficient operation, maintenance, and troubleshooting of your Dirt Devil Breeze Bagless Canister Vacuum, Model 082500. Please read these instructions thoroughly before using the appliance and retain them for future reference.

Figure 1: Dirt Devil Breeze Bagless Canister Vacuum. The main unit is blue with black wheels and a clear dustbin. A black flexible hose connects to a black telescopic wand, which then attaches to a blue floor nozzle. A crevice tool and dusting brush are visible attached to the wand.

2. IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following:

- Read all instructions before using this vacuum cleaner.
- Do not leave appliance when plugged in. Unplug from outlet when not in use and before servicing.
- Do not use outdoors or on wet surfaces.

- Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- Use only as described in this manual. Use only manufacturer's recommended attachments.
- Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- Do not pull or carry by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
- Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- Do not handle plug or appliance with wet hands.
- Do not put any object into openings. Do not use with any opening blocked; keep free of dust, lint, hair, and anything that may reduce air flow.
- Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
- Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- Do not use to pick up flammable or combustible liquids, such as gasoline, or use in areas where they may be present.
- Turn off all controls before unplugging.
- Use extra care when cleaning on stairs.
- Do not use to pick up toxic material (chlorine bleach, ammonia, drain cleaner, etc.).
- Do not use without dust cup and/or filters in place.

3. PRODUCT COMPONENTS AND FEATURES

The Dirt Devil Breeze Bagless Canister Vacuum is designed for versatile cleaning across various surfaces. Key components and features include:

- **Canister Unit:** The main body housing the 12 AMP motor and bagless dirt disposal system. Features large, non-marring wheels and a swivel front wheel for maneuverability.
- **Flexible Hose:** Connects the cleaning attachments to the canister unit.
- **Telescopic Wand:** Extends reach for floor and above-floor cleaning.
- **Bare Floor Nozzle:** A straight suction nozzle specifically designed for hard floor surfaces.
- **Additional Nozzle:** A bare floor nozzle equipped with nylon bristles, suitable for small area rugs and hard floors.
- **Crevice Tool:** A specialized thin tool for reaching tight spaces and narrow gaps.
- **Dusting Brush:** Provides extra agitation for effective above-floor cleaning of surfaces like drapes, upholstery, and shelves.
- **On-Board Tool Storage:** Conveniently stores the crevice tool and dusting brush on the wand.
- **Bagless Design:** Features an easy-empty dirt container for direct disposal into the trash.
- **HEPA Media Filtration:** Helps to trap over 99.97% of dust and allergens.
- **Carrying Handle & Strap:** Compact design with a contoured handle and an attachable shoulder strap for easy portability and support.
- **20-Foot Power Cord:** Provides extended reach, minimizing the need to frequently re-plug. Includes a cord hook for convenient storage.

4. SETUP AND ASSEMBLY

Follow these steps to assemble your vacuum cleaner before first use:

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure all listed accessories are present.
2. **Attach Hose:** Insert the flexible hose into the suction inlet on the canister unit until it clicks securely into place.
3. **Connect Wand:** Attach the telescopic wand to the end of the flexible hose. Ensure a firm connection.
4. **Attach Floor Nozzle:** Select the appropriate floor nozzle (bare floor or additional nozzle with bristles) and attach it to the end of the telescopic wand.
5. **Store On-Board Tools:** Place the crevice tool and dusting brush onto the designated storage clips on the telescopic wand for easy access during cleaning.
6. **Power Cord:** Unwind the 20-foot power cord from the cord hook.

5. OPERATING INSTRUCTIONS

Your Dirt Devil Breeze Canister Vacuum is designed for efficient cleaning across various surfaces.

5.1 Powering On/Off

- Plug the power cord into a suitable electrical outlet.
- Locate the power button on the canister unit. Press the button to turn the vacuum on.
- To turn off the vacuum, press the power button again.
- Always unplug the vacuum from the outlet after use.

5.2 Multi-Surface Cleaning

- **Hard Floors:** Use the **Bare Floor Nozzle** for straight suction on hard surfaces like wood, tile, and laminate.
- **Area Rugs and Hard Floors:** The **Additional Nozzle** with nylon bristles is suitable for small area rugs and can also be used on hard floors for light agitation.

5.3 Using On-Board Tools

The crevice tool and dusting brush are stored on the telescopic wand for convenient access:

- **Crevice Tool:** Detach the floor nozzle and attach the crevice tool to the end of the wand or directly to the hose for cleaning tight corners, edges, and between cushions.
- **Dusting Brush:** Attach the dusting brush to the wand or hose for cleaning delicate surfaces, drapes, upholstery, and shelves.

5.4 Portability

The vacuum is designed to be lightweight and portable:

- Use the integrated **Carrying Handle** on the canister unit to lift and move the vacuum between rooms or up stairs.
- For extended carrying or hands-free operation, attach the provided **Shoulder Strap** to the designated points on the canister.

6. MAINTENANCE

Regular maintenance ensures optimal performance and extends the life of your vacuum cleaner.

6.1 Emptying the Dirt Cup

The bagless design allows for easy dirt disposal:

1. Ensure the vacuum is turned off and unplugged.
2. Locate the dirt cup release mechanism on the canister unit.
3. Remove the dirt cup from the vacuum.
4. Position the dirt cup over a trash receptacle.
5. Open the bottom of the dirt cup to release accumulated dirt and debris.
6. Close the dirt cup securely and reattach it to the vacuum until it clicks into place.

Note: For best performance, empty the dirt cup after each use or when debris reaches the 'Max Fill' line.

6.2 Filter Maintenance

The vacuum is equipped with HEPA Media Filtration, which helps trap dust and allergens. While specific cleaning instructions for the HEPA filter are not provided, regular inspection for excessive dirt buildup is recommended. If the filter appears heavily soiled or suction power decreases, consult the manufacturer's website or customer support for replacement guidelines.

6.3 Cord Storage

After use, wrap the 20-foot power cord neatly around the cord hook on the canister unit for organized storage.

7. TROUBLESHOOTING

If you encounter issues with your vacuum cleaner, refer to the following common troubleshooting steps:

- **No Power:**

- Ensure the power cord is securely plugged into a working electrical outlet.
- Check the household fuse or circuit breaker.
- Verify the power button on the vacuum is pressed.

- **Loss of Suction:**

- Check if the dirt cup is full and needs emptying.
- Inspect the hose, wand, and nozzles for any blockages or clogs.
- Ensure all connections (hose to canister, wand to hose, nozzle to wand) are secure.
- Check the HEPA filter for excessive dirt buildup.

- **Unusual Noise:**

- Turn off and unplug the vacuum immediately.
- Inspect for any foreign objects caught in the nozzles, hose, or brush area.
- If the noise persists after checking for obstructions, contact customer support.

If the problem persists after attempting these steps, please contact Dirt Devil customer support.

8. SPECIFICATIONS

Detailed specifications for the Dirt Devil Breeze Bagless Canister Vacuum, Model 082500:

Feature	Specification
Brand	Dirt Devil

Model Number	082500
