expires.

MAINTENANCE

- Keep the game disc clean and free from scratches. Always handle the disc by its edges to avoid fingerprints on the playing surface.
- Store the game disc in its original case when not in use to protect it from dust and physical damage.
- Avoid exposing the disc to direct sunlight, extreme temperatures, or high humidity, as these conditions can cause warping or data corruption.
- If cleaning is necessary, use a soft, lint-free cloth and wipe gently from the center of the disc outwards. Do not use abrasive cleaners or solvents.
