Safety Information

WARNING: Riding a scooter can be a hazardous activity. Certain conditions may cause the equipment to fail without fault of the manufacturer. Scooters are intended for use on flat, dry, paved surfaces. Always wear appropriate safety gear, including a helmet, knee pads, and elbow pads. Adult supervision is recommended for young riders.

- Always wear a helmet when riding.
- Ensure all clamps and fasteners are securely tightened before each ride.
- Do not ride in traffic, near motor vehicles, or on steep inclines.
- Avoid water, sand, gravel, dirt, leaves, and other debris.
- Do not exceed the maximum weight limit of 100 pounds (45 kg).
- Recommended for ages 5 years and older.

Legal Disclaimer: No liability to seller after purchase has been made. Users assume all risks associated with scooter use.

Setup and Assembly

The Razor A Kick Scooter features a lightweight aluminum frame and an original folding mechanism for easy transport and storage. Follow these steps to set up your scooter:

1. Unfolding the Scooter

To unfold the scooter, locate the folding mechanism near the base of the handlebar stem. Release the locking mechanism and carefully extend the handlebar stem upwards until it clicks securely into place. Ensure the mechanism is fully engaged before riding.

Image: The scooter's folding mechanism in action.

2. Adjusting Handlebars

The handlebars are adjustable to accommodate various rider heights. Loosen the quick-release clamp on the handlebar stem, adjust the handlebar to the desired height, and then securely tighten the clamp. Ensure the handlebar is firmly in place and does not wobble.

Operating Instructions

Once your scooter is properly set up and all safety checks are complete, you are ready to ride.

1. Riding

Place one foot firmly on the deck of the scooter. Use your other foot to push off the ground, generating momentum. Once moving, place both feet on the deck, one behind the other, or side-by-side, maintaining balance. Steer by gently leaning and turning the handlebars.

2. Braking

The Razor A Kick Scooter is equipped with a rear-fender brake. To slow down or stop, gently press your heel down on the rear fender. Apply pressure gradually to avoid sudden stops. Practice braking at low speeds in a safe area before riding at higher speeds.

Maintenance

Regular maintenance ensures the longevity and safe operation of your scooter.

- **Cleaning:** Wipe down the scooter with a damp cloth after use. Avoid harsh chemicals.
- **Wheels:** Check wheels periodically for wear and tear. Replace urethane wheels if they show significant damage.
- **Bearings:** The wheels are equipped with high-speed bearings. Keep them clean and free of debris.
- **Fasteners:** Regularly inspect all nuts, bolts, and clamps to ensure they are tight and secure.
- **Storage:** Store the scooter in a dry place, away from direct sunlight and extreme temperatures.

Troubleshooting

If you encounter any issues with your Razor A Kick Scooter, refer to the following common solutions:

Problem	Possible Cause	Solution
Handlebars wobble	Quick-release clamp is loose.	Tighten the quick-release clamp securely.
Scooter does not fold/unfold easily	Folding mechanism is stiff or obstructed.	Ensure no debris is blocking the mechanism. Apply a small amount of lubricant if necessary.
Brake is not effective	Rear fender is worn or dirty.	Clean the fender and wheel. If worn, consider replacing the fender.

Specifications

- **Brand:** Razor
- **Model Name:** 13003A-RD
- **Frame Material:** Aluminum
- **Wheel Material:** Polyurethane
- **Number of Wheels:** 2
- **Wheel Size:** 3.85 inches (95 mm)
- **Special Features:** Adjustable Handlebar Height, Foldable
- **Weight Limit:** 100 pounds (45 kg)
- **Product Dimensions:** 23.9"L x 11.3"W x 32.4"H
- **Item Weight:** 2.6 pounds
- **Age Range:** 5 years and older
- **Brake Style:** Rear-fender
- **Included Components:** Scooter

Warranty and Support

The Razor A Kick Scooter comes with a limited warranty. For specific warranty details and support inquiries, please refer to the official Razor website or contact their customer service. Keep your proof of purchase for warranty claims.

Note: The provided information states "NO WARRANTY" in one specification, but "Limited" in another. For accurate warranty details, always consult the official manufacturer's documentation or website.
