Cosco 11120RED1E

COSCO Stylaire Retro Chair + 2-Step Step Stool Instruction Manual

BRAND: Cosco | MODEL: 11120RED1E

1. Product Overview

The COSCO Stylaire Retro Chair + 2-Step Step Stool is a versatile piece designed for both seating and providing extra height. Its classic design features a padded vinyl seat and back with a stylish chrome finish. This unit functions as a convenient counter-height chair and a utility stool for reaching high places. The smooth-tracking, pull-out step stool is equipped with sturdy leg tubing and molded step treads for enhanced stability.

Key Features:

- **Multi-Purpose:** Functions as a counter-height chair with integrated pull-out steps for height assistance.
- **Non-Slip Steps:** Steps are built with non-slip treads for added security.
- **Non-Marring:** Leg tips are designed to keep floors clean and damage-free.
- **Comfortable:** Features a cushioned seat and back for user comfort.
- **Easy to Clean:** The quality steel frame and vinyl upholstery allow for simple cleaning.

3. Operating Instructions

This product offers dual functionality as both a chair and a step stool.

Using as a Chair:

To use as a chair, ensure the pull-out steps are fully retracted. The cushioned seat and back provide comfortable seating at counter height.

Using as a Step Stool:

To access higher areas, gently pull out the steps located beneath the seat. The steps glide out smoothly and feature non-slip treads for secure footing. Always ensure the steps are fully extended and stable before stepping on them. The maximum weight capacity for the step stool is 225 pounds.

4. Maintenance

The vinyl upholstery and steel frame are designed for easy maintenance. Simply wipe down the surfaces with a damp cloth and mild soap as needed. Avoid using abrasive cleaners that could damage the finish.

5. Safety Information

- Do not exceed the maximum weight capacity of 225 pounds.
- Ensure all steps are fully extended and locked into place before use.
- Always maintain three points of contact (two hands and one foot, or one hand and two feet) when climbing or descending the steps.
- Do not stand on the seat of the chair when using it as a step stool.
- Supervise children when they are using the step stool feature.
- The non-marring leg tips help prevent scratches on your flooring, but always exercise caution when moving the unit.
