Baby Einstein Numbers Nursery

Baby Einstein Numbers Nursery DVD Instruction Manual

Discovering Numbers 1 Through 5

1. INTRODUCTION

The Baby Einstein Numbers Nursery DVD is designed to introduce young children, typically between 12 and 24 months of age, to the fundamental concepts of numbers and counting from one to five. This program utilizes engaging visuals, classical music, and interactive elements to facilitate early learning.

The DVD aims to reinforce number recognition through simple patterns and captivating imagery, including brightly colored toys, puppets, children, and real-world objects.

2. PACKAGE CONTENTS

3. SETUP

- 1. Insert DVD:** Gently insert the Baby Einstein Numbers Nursery DVD into your DVD player or computer's DVD drive. Ensure the disc is clean and free of scratches.
- 2. Power On:** Turn on your television or monitor and select the correct input source for your DVD player.
- 3. Start Playback:** The DVD should automatically begin playing or display a main menu.

4. OPERATING INSTRUCTIONS

Navigate the DVD using your remote control's arrow keys and 'Enter' or 'Play' button.

Main Program

Select "Play" from the main menu to start the primary Numbers Nursery program. This segment introduces numbers 1 through 5.

DVD Features

- **Repeat Play:** This option allows the main program to loop continuously.
- **Language Tracks:** Select from available audio languages: English, Spanish, and French.
- **Discovery Cards:** An interactive feature to count from 1 to 10 in seven different languages.
- **Count-Along Activities:** Engaging segments designed for children to participate in counting.
- **"How Many?":** A game or activity focusing on quantity recognition.
- **Story Time:** Features content from the "See and Spy Counting book."
- **Toy Chest:** Additional content or activities related to toys.

5. MAINTENANCE

- **Disc Handling:** Always hold the DVD by its edges to avoid fingerprints on the playing surface.
- **Cleaning:** If the disc becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners or solvents.
- **Storage:** Store the DVD in its original case, away from direct sunlight, extreme temperatures, and high humidity.

6. TROUBLESHOOTING

- **Disc Not Playing:** Ensure the disc is inserted correctly and is clean. Check your DVD player's compatibility with standard DVDs.
- **No Audio/Video:** Verify that your television or monitor is on the correct input channel and that all cables are securely connected. Check the volume settings on your TV and DVD player.
- **Skipping/Freezing:** Clean the disc carefully. If the issue persists, the disc may be damaged.
