Tout ça, François Chalais est devenu journaliste. Et toute sa vie il a été autour de la terre, acharné à ce travail. Il a écrit la biographie de...  
Grande expérience à la Télévision Française il écrivait de nombreux « scoop » et « Panorama », avait la loue et « Panorama », avait de continuer à filmer les points chauds du globe dans son propre programme « Tour du monde ». Spécialiste du cinéma, d'autre part, ses réalisations « Cinépanorama » et « Reflets de Cannes », ainsi que sa participation souvent féroce à « Midi-Magazine », lui permirent d'affirmer, ici encore, son goût intransigeant pour l'indépendance d'esprit. De ces expériences hors série il a tiré un livre auto-biographique, *Les Chocolats de l'exotisme* (Ed. Stock), qui connut un très grand succès de critique et de public.  
Il est actuellement à « Europe n° 1 », le responsable du Service des Spectacles.
