Electronic Arts Medal of Honor: Pacific Assault PC Game Instruction Manual

Model: 14718

INTRODUCTION

Medal of Honor: Pacific Assault is a first-person shooter video game developed by Electronic Arts. This manual provides essential information for installing, operating, and troubleshooting the game on your personal computer.

Set in the Pacific Theatre of WWII, players assume the role of Marine Private Tom Conlin, experiencing key battles from Pearl Harbor to Tarawa Island. The game features a combination of single-player missions and multiplayer modes.

PRODUCT OVERVIEW

The game package typically includes the game discs and a manual. Below is an image of the product packaging.

The back of the game box provides a summary of game features and system requirements. Key features include:

- **Extensive Single-Player Campaign:** Engage in over 25 single-player levels across land, sea, and air environments.
- **Advanced Technology:** Utilizes benchmark-shattering technology and Havok™ physics for enhanced graphics, character models, and realistic WWII weapon handling.
- **Combat Squad Control:** Features real-time A.I. for directing squad movement, offering an authentic and intuitive WWII combat system.
- **Intense Multiplayer:** Includes new Invader mode class-based gameplay and PunkBuster™ technology across 8 large scenarios.
- **Verge of Death Mechanic:** Introduces a gameplay element where players can crawl for cover and call for a medic when critically wounded.

SETUP AND INSTALLATION

System Requirements

Before installing, ensure your computer meets the minimum system requirements:

- **Operating System:** Microsoft Windows Vista®, Windows XP, or Windows 2000
- **Processor:** Pentium® IV 1.5GHz or faster
- **RAM:** 512MB
- **Graphics Card:** DirectX® 9.0c compatible 64MB 3D Accelerated video card with TnL (e.g., GeForce 3Ti/Radeon 8500 Series)
- **Hard Drive Space:** 4.5GB free disk space
- **Optical Drive:** 8X DVD-ROM drive
- **Input Devices:** Windows compatible mouse and keyboard
- **Internet Connection:** Required for online play

Installation Steps

1. Insert the Medal of Honor: Pacific Assault game disc into your computer's DVD-ROM drive.
2. If the auto-run feature is enabled, the installation program should start automatically. If not, navigate to your DVD-ROM drive in 'My Computer' or 'This PC' and double-click on 'Setup.exe' or 'Install.exe'.
3. Follow the on-screen instructions to complete the installation process. This will typically involve accepting the End User License Agreement, choosing an installation directory, and selecting components.
4. You may be prompted to insert additional discs during the installation. Follow the prompts to switch discs as required.
5. Once installation is complete, you may be prompted to restart your computer. It is recommended to do so.

Note: Some users have reported issues with Disc 2 during installation. If you encounter difficulties, try copying the files from all game discs to a folder on your hard drive and running the setup from there.

OPERATING INSTRUCTIONS (GAMEPLAY)

Starting the Game

After successful installation, you can launch the game from the desktop shortcut or the 'Start Menu' program group created during installation.

Basic Controls

Medal of Honor: Pacific Assault uses standard PC first-person shooter controls:

- **Mouse:** Used for aiming, looking around, and firing weapons (left-click).
- **Keyboard (WASD):** Used for character movement (W: Forward, A: Strafe Left, S: Backward, D: Strafe Right).
- **Spacebar:** Jump.
- **Shift:** Sprint.
- **Ctrl:** Crouch/Prone.
- **R:** Reload weapon.
- **E/F:** Interact (e.g., open doors, pick up items).
- **Number Keys (1-9):** Select weapons.

Detailed control customization options are available within the game's 'Options' or 'Settings' menu.

Single-Player Campaign

The single-player campaign guides you through historical WWII events in the Pacific. Objectives will be provided at the start of each mission and updated as you progress. Pay attention to your squad members and utilize their abilities.

Multiplayer Mode

To access multiplayer, select 'Multiplayer' from the main menu. You will need an active internet connection. The game features various modes, including 'Invader' mode. PunkBuster™ anti-cheat technology is integrated to ensure fair play.

MAINTENANCE

- **Disc Care:** Keep game discs clean and free from scratches. Store them in their original case when not in use.
- **System Updates:** Ensure your operating system and graphics drivers are up to date for optimal performance and compatibility.
- **Game Patches:** Periodically check official Electronic Arts channels or game community sites for any available game patches or updates that may improve stability or add features.

TROUBLESHOOTING

If you encounter issues while installing or playing Medal of Honor: Pacific Assault, consider the following:

- **Game Not Starting/Crashing:**
 - Verify your system meets the minimum requirements.
 - Update your graphics card drivers to the latest version.
 - Ensure DirectX 9.0c is installed and functioning correctly.
 - Try running the game in compatibility mode for Windows XP or Windows 2000.
- **Installation Errors:**
 - Clean the game discs for smudges or scratches.
 - Ensure sufficient free disk space (at least 4.5GB).
 - If issues persist, copy all disc contents to a folder on your hard drive and run the setup from there.
- **Online Play Issues:**
 - Check your internet connection.
 - Ensure your firewall is not blocking the game's access to the internet.
