BRIO 33204

BRIO World Parking Garage (Model 33204) Instruction Manual

Your guide to assembly, operation, and maintenance.

1. INTRODUCTION

The BRIO World Parking Garage, Model 33204, is a 7-piece wooden toy set designed to enhance imaginative play within the BRIO World railway system. Crafted from Forest Stewardship Council-certified wood, this durable accessory promotes creativity and fine motor skills. It is fully compatible with all BRIO train sets and other wooden railway brands, allowing for expanded play scenarios.

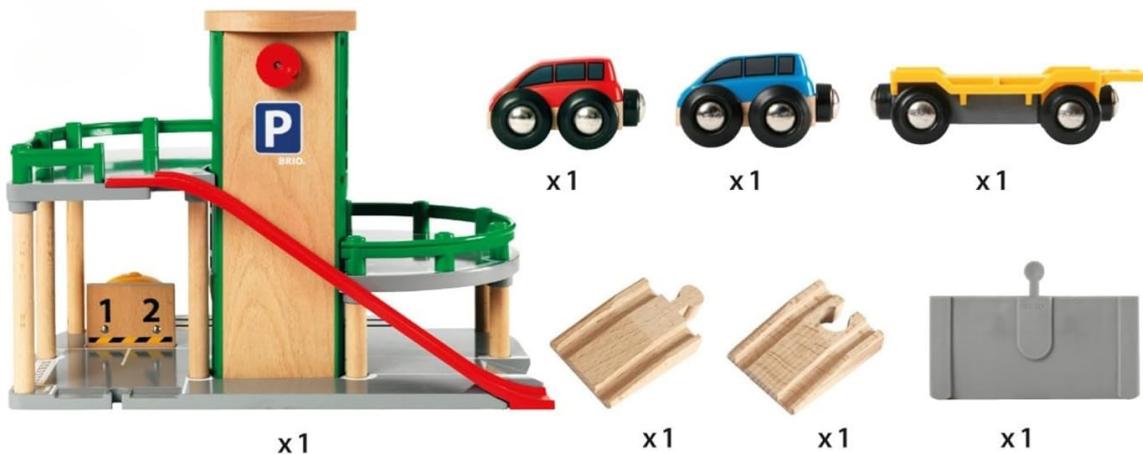

This manual provides essential information for the safe and correct use of your Parking Garage. Please read it thoroughly before assembly and operation.

2. WHAT'S IN THE Box

Carefully unpack all components and verify that you have received the following items:

- 1x Parking Garage unit
- 1x Red Car
- 1x Blue Car
- 1x Car Transport Wagon
- 2x Wooden Railway Ramp Tracks
- 1x Road Ramp Track

Play, Create, & Explore!

Comes with a garage, 2 cars, a transporter wagon, and ramps—everything kids need to start their own parking world.

7 pieces

3+ years old

3. SETUP AND ASSEMBLY

The BRIO World Parking Garage requires minimal assembly. Follow these steps to prepare your garage for play:

- 1. Unpack Components:** Remove all items from the packaging.
- 2. Attach Elevator Tower:** The central elevator tower typically snaps into place. Ensure it is securely seated.
- 3. Connect Ramps:** The red slide ramp connects to the upper level of the garage. The wooden ramp tracks and road ramp track can be connected to the designated slots at the base of the garage to extend your railway or road system.

Expand The Fun As They Grow

This set is fully compatible with other BRIO railway toys, so you can expand the tracks, stations, and more!

4. OPERATING INSTRUCTIONS

The Parking Garage offers various interactive features for engaging play:

- **Elevator Operation:** Use the red crank on the side of the central tower to raise and lower the elevator platform. Place cars on the platform to transport them between the ground and upper levels.
- **Ramp Play:** Cars can drive up and down the red slide ramp, providing a quick descent from the upper level.
- **Parking Spaces:** The garage features marked parking spaces on both levels. The included cars have magnetic connections, allowing them to attach to the car transport wagon or other magnetic BRIO vehicles.
- **Gas Station:** A designated gas station area is located on the ground level for refueling vehicles.
- **Helicopter Pad:** The top of the elevator tower features a helipad, suitable for BRIO World helicopters (sold separately).
- **Track Connectivity:** The base of the garage has multiple connection points for wooden railway tracks and road tracks, allowing seamless integration with your existing BRIO World system.

3 Floors of Parking Fun!

Crank the elevator, drop through the trapdoor, and zoom down the ramp—adventure awaits at every level!

Turn the knob to lift cars up and down, enhancing coordination and creative play!

5. MAINTENANCE

To ensure the longevity and hygiene of your BRIO World Parking Garage:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the toy in a dry environment away from direct sunlight to prevent warping or fading of the wooden components.
- **Inspection:** Periodically check for any loose parts or damage. Discontinue use if any significant damage is found.

Crafted to Last a Lifetime

Made from FSC® certified beech wood, this toy set is built to last for generations of play & makes a timeless gift.

6. TROUBLESHOOTING

If you encounter any issues with your BRIO World Parking Garage, consider the following:

- **Elevator not moving smoothly:** Check for any obstructions in the elevator shaft or ensure the crank mechanism is free of debris.
- **Tracks not connecting:** Ensure that the wooden tracks are correctly aligned and that the male and female connectors are fully engaged. BRIO World products are designed for universal compatibility with other wooden railway systems.
- **Cars not rolling:** Inspect the car wheels for any hair or debris that might impede movement.

For persistent issues, please refer to the support information in Section 8.

7. SPECIFICATIONS

Feature	Detail
---------	--------

Product Dimensions	14.57 x 10.63 x 10.63 inches
Item Weight	3.97 pounds
Model Number	33204
Manufacturer Recommended Age	36 months - 10 years
Release Date	October 18, 2013
Manufacturer	BRIO
Material	FSC-Certified Wood, Plastic

8. SAFETY INFORMATION

BRIO products are designed with safety as a top priority. The BRIO World Parking Garage undergoes rigorous testing to ensure it meets and exceeds safety standards. Key safety features and considerations include:

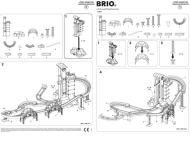

- **Age Recommendation:** Suitable for children aged 36 months to 10 years. Small parts may pose a choking hazard for younger children.
- **Material Safety:** Constructed from FSC-certified wood, promoting responsible forestry and ensuring high-quality, non-toxic materials.
- **Supervision:** Adult supervision is recommended during play, especially for younger children, to ensure safe interaction with all components.

9. WARRANTY AND SUPPORT

For warranty information, product support, or to inquire about replacement parts, please contact BRIO customer service directly. Details can typically be found on the official BRIO website or product packaging.
