## SETUP

1. **Unpacking:** Carefully remove the headphones and all accessories from the packaging. Verify that all components listed in the 'What's in the Box' section are present.
2. **Connecting the Cable:** Connect the 0.6 m elastomer cord to your audio device. If additional length is required, attach the 1 m extension cord between the main cable and your device. Ensure connections are secure.
3. **Adjusting Ear Hangers:** The ATH-EW9 features metal ear hangers with a slide-fit mechanism. Gently adjust the ear hangers to fit comfortably and securely over your ears. The rubber support on the ear hangers is designed for comfort.

## ■スライドフィット機構

## OPERATING INSTRUCTIONS

1. **Wearing the Headphones:** Place the ear hangers over your ears, ensuring the earcups rest gently on your ears. Adjust the slide-fit mechanism for a snug and comfortable fit.
2. **Audio Playback:** Connect the 3.5 mm jack to your audio source (e.g., smartphone, tablet, laptop). Start playing audio from your device.
3. **Volume Control:** Adjust the volume using your connected audio device. These headphones do not

feature integrated volume controls.

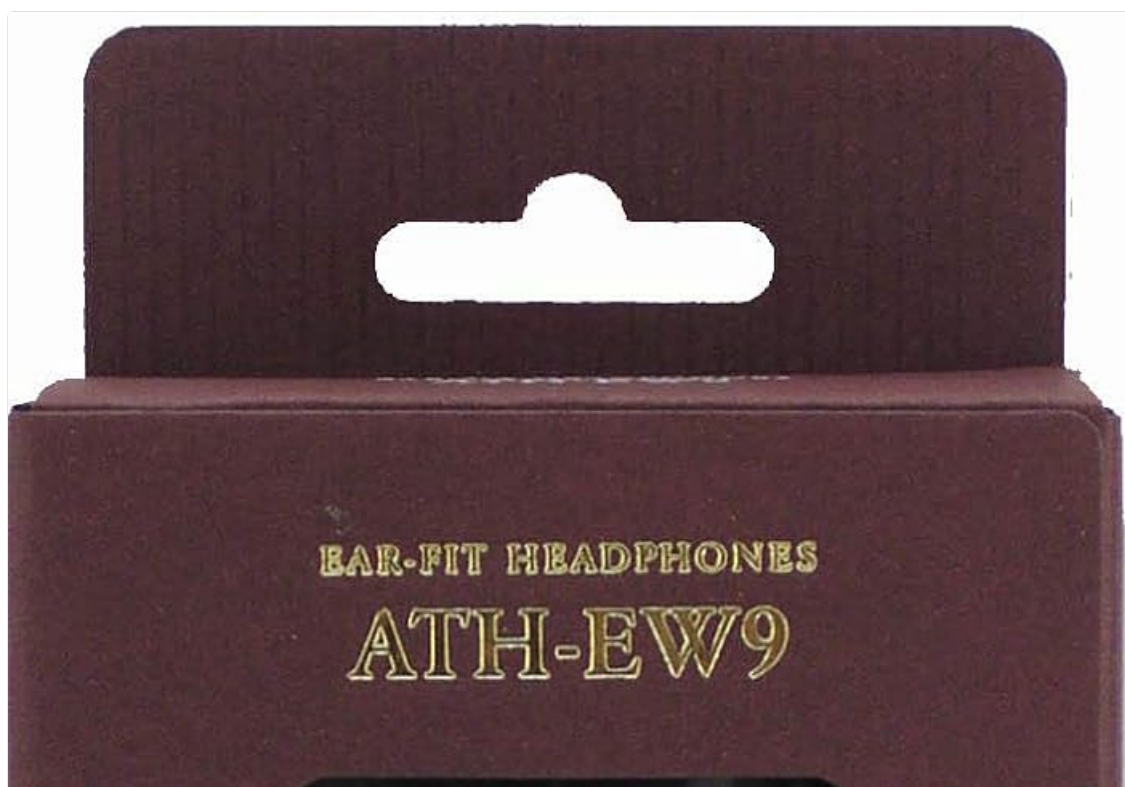

4. **Disconnection:** To disconnect, gently pull the 3.5 mm jack from your audio device. Avoid pulling directly on the cable to prevent damage.

## MAINTENANCE

- **Cleaning:** Wipe the headphones with a soft, dry cloth. Do not use liquid cleaners or solvents.
- **Storage:** When not in use, store the headphones in the provided protective case to prevent dust accumulation and physical damage.
- **Cable Care:** Avoid sharp bends or excessive pulling on the cable. The tangle-resistant design helps, but proper handling extends cable life.
- **Temperature:** Avoid exposing the headphones to extreme temperatures or high humidity.
