HABA 4416

HABA Monza Car Racing Board Game Instruction Manual

Model: 4416

1. INTRODUCTION

The HABA Monza board game is a colorful car racing game designed for 2 to 6 players, aged 5 years and up. It combines color recognition with strategic thinking, offering quick and engaging play sessions typically lasting 5-10 minutes. The objective is to be the first player to successfully navigate their racing car around the track and cross the finish line.

2. COMPONENTS

Before starting, ensure all components are present:

- 1 Game Board
- 6 Wooden Racing Cars (in various colors)
- 6 Color Dice

3. SETUP

1. Place the game board on a flat, stable surface.
2. Each player chooses a wooden racing car and places it on the starting line of the track.
3. Place the six color dice within reach of all players.
4. The youngest player typically starts the game.

4. OPERATING (HOW TO PLAY)

Game Objective

Be the first player to move your racing car from the start to the finish line.

Turn Sequence

- 1. Roll the Dice:** On your turn, roll all six color dice.
- 2. Match Colors:** Examine the colors shown on the rolled dice. You must use the colors on the dice to move your car forward. Each space on the track has a specific color.
- 3. Move Your Car:** Move your car forward by matching the colors on the dice to the colors of the spaces directly in front of your car. You can use the dice in any order you choose. For example, if you roll a red, blue, and green die, you can move your car three spaces forward if the next three spaces are red, then blue, then green, or any other combination that matches the dice colors.
- 4. Strategic Movement:** You do not have to use all the dice. You can choose to use fewer dice if it allows you to land on a more advantageous space or block an opponent. However, you must use at least one die if possible.

5. **End of Turn:** Your turn ends after you have moved your car. The next player takes their turn.

Winning the Game

The first player to reach or cross the finish line wins the game. You do not need to land on the finish line exactly.

Challenging Variation

For a more challenging game, players can agree that all six dice must be used for movement if possible. If a player cannot use all six dice, they must use as many as they can. This adds an extra layer of strategic planning.

5. MAINTENANCE

To ensure the longevity of your HABA Monza game:

- **Cleaning:** Wipe the wooden cars and dice with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store all game components in their original box in a dry place, away from direct sunlight and extreme temperatures.
- **Handling:** Handle the game board and wooden pieces with care to prevent damage.

6. TROUBLESHOOTING

If you encounter any issues during play:

- **Missing Pieces:** Double-check the game box and surrounding area for any misplaced components.
- **Rules Clarification:** Refer to this manual for detailed rules. If a dispute arises, players should agree on a house rule before continuing.
- **Fair Play:** Encourage all players to follow the rules and engage in good sportsmanship.
