Setup

To begin watching **The Hunger** on DVD, follow these steps:

1. **Connect Your DVD Player:** Ensure your DVD player is properly connected to your television or display device. Refer to your DVD player's manual for specific connection instructions (e.g., HDMI, composite video, component video).
2. **Power On Devices:** Turn on your television and your DVD player.

3. **Select Input:** Use your television's remote control to select the correct input source (e.g., HDMI 1, Video 1) that corresponds to your DVD player's connection.
4. **Insert DVD:** Gently open the DVD player's disc tray or slot. Hold the DVD by its edges to avoid touching the playing surface. Insert **The Hunger** DVD with the label side facing up into the disc tray or slot. Close the tray or allow the player to draw the disc in.
5. **Automatic Playback:** The DVD player should automatically detect the disc and display the main menu or begin playback.

Operating

Navigate and control your viewing experience using your DVD player's remote control:

- **Main Menu:** From the main menu, you can typically select options such as *Play Movie*, *Scene Selection*, *Special Features*, and *Setup* (for audio/subtitle options). Use the arrow keys on your remote to highlight an option and press *Enter* or *Play* to select it.
- **Playback Controls:**
  - **Play (►):** Starts or resumes playback.
  - **Pause ( ):** Temporarily stops playback. Press again to resume.
  - **Stop (■):** Stops playback and returns to the beginning of the disc or main menu.
  - **Fast Forward (►►):** Skips forward through the movie.
  - **Rewind (◄◄):** Skips backward through the movie.
  - **Skip/Chapter Next/Previous:** Jumps to the next or previous chapter/scene.
- **Audio and Subtitle Selection:** Access the *Setup* or *Audio/Subtitle* menu on the DVD or use dedicated buttons on your remote (if available) to change audio tracks (English, French) or enable/disable subtitles (English, French, Spanish).

Maintenance

Proper care of your DVD will ensure its longevity and consistent performance:

- **Handling:** Always hold the DVD by its outer edges or by placing a finger through the center hole. Avoid touching the shiny playing surface.
- **Storage:** Store the DVD in its original case when not in use. Keep it away from direct sunlight, high humidity, and extreme temperatures.
- **Cleaning:** If the disc becomes dirty or smudged, gently wipe the playing surface with a soft, lint-free cloth (e.g., microfiber cloth) in a straight line from the center to the outer edge. Do not wipe in a circular motion. Avoid using abrasive cleaners or solvents.
- **Avoid Scratches:** Be careful not to drop the disc or place it on rough surfaces, as scratches can impair playback.

Troubleshooting

If you encounter issues while playing **The Hunger** DVD, consider the following:

- **Disc Not Playing/Loading:**
  - Ensure the disc is inserted correctly with the label side facing up.
  - Check the disc for visible scratches, smudges, or dirt. Clean if necessary (refer to Maintenance section).

- Verify that your DVD player is compatible with standard DVD-Video discs.
- Try playing another known-good DVD to determine if the issue is with the player or the disc.

- **No Audio or Video:**
  - Confirm all cables connecting your DVD player to your TV are securely attached.
  - Ensure your TV is set to the correct input source.
  - Check the audio settings on your DVD player and TV.

- **Skipping or Freezing:**
  - Clean the disc thoroughly as described in the Maintenance section.
  - Minor scratches can sometimes cause skipping. If cleaning does not resolve the issue, the disc may be damaged.

Warranty and Support

For issues related to the physical DVD, such as manufacturing defects, please contact the retailer from whom you purchased the product. Most retailers offer a return or exchange policy for defective media within a specified period. For general inquiries about the film content or if you require technical support for your DVD player, please refer to your DVD player's instruction manual or contact its manufacturer directly. Warner Home Video does not typically offer direct warranty or support for individual DVD playback issues unrelated to manufacturing defects of the disc itself.
