## Quay P093

# Quay Woodcraft Double-Decker Bus Construction Kit

Model: P093

## INTRODUCTION

---

Thank you for choosing the Quay Woodcraft Double-Decker Bus Construction Kit. This kit provides an engaging and educational experience, allowing you to build a detailed wooden model of a double-decker bus. All components are crafted from FSC-certified wood, ensuring responsible sourcing. This manual provides essential information for assembly, safety, and product care.

## SAFETY INFORMATION

---

**WARNING:** Not suitable for children under 3 years due to small parts which may present a choking hazard. Adult supervision is required during assembly and play for all ages. Recommended for ages 7 and up.

## PACKAGE CONTENTS

---

Your Quay Woodcraft Double-Decker Bus Construction Kit includes:

- Pre-cut wooden plywood sheets containing all bus components.
- Detailed assembly instructions with an easy-to-follow numbering system.

No additional tools or adhesives are typically required for assembly, as pieces are designed to slot together.

## SETUP BEFORE ASSEMBLY

---

Before beginning assembly, ensure you have a clean, flat, and well-lit workspace. Carefully unpack all components and review the included instruction sheet. Familiarize yourself with the numbering system on the wooden pieces.

## ASSEMBLY INSTRUCTIONS

---

The Quay Woodcraft Double-Decker Bus is designed for straightforward assembly using a push-out and slot-together method. Follow the numbered steps provided in the instruction sheet included with your kit.

1. **Identify Components:** Carefully push out each pre-cut wooden piece from its sheet. Refer to the numbering on the pieces and the instruction diagram to identify them.

2. **Follow Numbered Sequence:** Assemble the model by slotting the corresponding numbered pieces together. The instructions will guide you through the correct sequence.
3. **Gentle Pressure:** Apply gentle, even pressure when slotting pieces to avoid breakage. If a piece does not fit easily, double-check the numbering and orientation.
4. **Finishing (Optional):** Once assembled, the model can be painted, stained, or varnished to your preference. Ensure any finishing products are child-safe if the model is intended for children.

*Image 1: The fully assembled Quay Woodcraft Double-Decker Bus model. This image shows the completed wooden bus with two decks, windows, and wheels, demonstrating the final appearance of the construction kit.*

Image 2: The FSC (Forest Stewardship Council) certification logo. This logo indicates that the wood used in the product comes from responsibly managed forests, promoting environmental sustainability.

## MAINTENANCE

---

To maintain the quality of your wooden model:

- Keep the model in a dry environment to prevent warping or damage to the wood.
- Clean with a soft, dry cloth. Avoid using water or chemical cleaners, which can damage the wood finish.
- Store away from direct sunlight or extreme temperature changes.

## TROUBLESHOOTING

---

If you encounter difficulties during assembly:

- **Pieces not fitting:** Re-check the numbering and the orientation of the pieces against the instruction diagrams. Ensure no excess wood dust or debris is blocking the slots.
- **Missing pieces:** Carefully check all packaging and wooden sheets. If a piece is genuinely missing, contact Quay customer support.
- **Broken piece:** While the wood is durable, excessive force can cause breakage. If a piece breaks, wood glue may be used for repair, or contact customer support for possible replacement parts.

## SPECIFICATIONS

---

Product Dimensions (Packaged)	18.5 x 1.5 x 23 cm
Product Weight (Packaged)	340.19 grams
Model Number	P093
Educational Objective	Motor Skills

<b>Language</b>	English
<b>Number of Players</b>	1
<b>Assembly Required</b>	Yes
<b>Batteries Required</b>	No
<b>Material Type</b>	Wood (Plywood)
<b>Color</b>	Brown (Natural Wood)
<b>Age Range (Description)</b>	Children and Adults
<b>Theme</b>	Vehicle (Bus)
<b>Power Source</b>	Manual
<b>Special Feature</b>	Portable
<b>Finished Model Size (Approx.)</b>	Height 12 cm × Length 27 cm × Width 8 cm
