It features natural active ingredients delivered in a gentle saline base, aiming to hydrate dry nasal passages while providing targeted symptom relief. The formula is non-drowsy and non-addictive.

MediNatura makes safe, natural products that are truly effective. We combine multiple natural actives, creating a multiplier effect of efficacy, without the adverse effects of non-natural medicines which can be serious or even deadly.

Layer after layer of natural relief, add up to greater relief—without the risk and potential damage of artificial medicines. MediNatura products are made to strict pharmaceutical standards for purity and consistency.

Inactive ingredients: Benzalkonium Chloride, Disodium Phosphate Dihydrate, Isotonic Sodium Chloride Solution, Sodium Dihydrogen Phosphate Dihydrate.

Setup and First Use

Before using the ReBoost Breathe Easy Nasal Spray for the first time, follow these steps to prepare the device:

1. **Remove Protective Cap:** Carefully remove the clear protective cap from the nozzle of the spray bottle.
2. **Prime the Pump:** Hold the bottle upright. Press down on the pump several times until a fine mist is dispensed into the air. This priming action ensures that the correct amount of medication is delivered with each subsequent spray.
3. **Inspect Nozzle:** Ensure the nozzle is clean and free from any blockages before each use.

The spray is now ready for use.

Operating Instructions (Dosage and Administration)

Follow these instructions for effective use of ReBoost Breathe Easy Nasal Spray:

- **Adults and children 12 years and older:** Administer 2 sprays into each nostril every 2-4 hours. Do not exceed 24 sprays in each nostril in 24 hours.
- **Children 4 to 11 years:** Administer 1 spray into each nostril every 2-4 hours. Do not exceed 12 sprays into each nostril in 24 hours.
- **For children under 4 years:** Consult your health professional before use.

Care and Storage

Proper care and storage will help maintain the product's effectiveness and shelf life:

- **Cleaning:** After each use, gently wipe the nozzle with a clean tissue to prevent buildup and maintain hygiene.
- **Replacing Cap:** Always replace the protective cap securely after each use to keep the nozzle clean and prevent leakage.
- **Storage:** Store the bottle upright in a cool, dry place at room temperature. Protect from light.
- **Tamper Evident:** Do not use if printed safety seal around bottle and cap is missing or broken.

Troubleshooting

If you encounter any issues while using your ReBoost Breathe Easy Nasal Spray, refer to the table below for common problems and solutions:

Issue	Possible Cause / Solution
No mist or weak spray	The pump may not be fully primed. Re-prime the pump by pressing down several times until a fine mist appears. Ensure the nozzle is not clogged.
Nasal irritation, burning, or stinging	This can be a temporary side effect. Ensure your head is kept upright during administration. If irritation persists or worsens, discontinue use and consult a healthcare professional.
Symptoms persist or worsen	If your symptoms do not improve or worsen after using the product as directed, consult a healthcare professional.
