Swing-N-Slide 860200-010

Swing-N-Slide Heavy-Duty Swing Seat Instruction Manual

Model: 860200-010 | **Brand:** Swing-N-Slide

1. PRODUCT OVERVIEW

The Swing-N-Slide Heavy-Duty Swing Seat is designed for residential outdoor play, offering a durable and comfortable swinging experience. This reinforced plastic belt seat is suitable for growing children and adults, supporting up to 250 pounds when properly installed with heavy-duty swing hangers (sold separately). It features vinyl-coated chains to prevent pinching and ensure a secure grip.

2. WHAT'S IN THE BOX

Your Swing-N-Slide Heavy-Duty Swing Seat package includes:

- One (1) Heavy-Duty Swing Seat with attached chains
- Necessary hardware for attachment
- Instruction manual

Note: Heavy-duty swing hangers are not included and must be purchased separately.

3. SETUP AND INSTALLATION

This swing seat requires no assembly of the seat itself. Installation involves attaching the swing to existing heavy-duty swing hangers on a playset or swing beam.

3.1 Required Tools (Not Included)

- Heavy-duty swing hangers (ensure they are rated for the swing's weight capacity)
- Wrench or pliers (if adjusting chain length or securing hangers)

3.2 Installation Steps

1. **Inspect Hangers:** Ensure your existing swing hangers are securely mounted and in good condition. They should be rated to support the swing seat and user's weight (up to 250 lbs).
2. **Attach Chains:** Connect the carabiner clips at the top of the swing chains to your heavy-duty swing hangers. Ensure the clips are fully closed and secured.
3. **Adjust Height (Optional):** The 58-inch chains are adjustable. If needed, use a wrench or pliers to open the chain links and adjust the swing height to a safe and comfortable level for the intended users. Ensure both chains are adjusted to the same length for even swinging.
4. **Final Check:** Before use, thoroughly check all connections to ensure they are tight and secure. Verify that the swing hangs freely and does not interfere with other playset components.

4. OPERATING INSTRUCTIONS

Once properly installed, the Swing-N-Slide Heavy-Duty Swing Seat is ready for use. Ensure all users understand basic swing safety.

4.1 Safe Use Guidelines

- **Single User:** This swing seat is designed for one user at a time.

- **Proper Seating:** Users should sit in the center of the seat, holding onto both chains firmly.
- **Clear Area:** Ensure the area around the swing is clear of other people, pets, or obstacles before and during use.
- **Supervision:** Children should always be supervised by an adult while using the swing.
- **Weight Limit:** Do not exceed the maximum weight capacity of 250 pounds.

5. MAINTENANCE

Regular maintenance will extend the life of your Swing-N-Slide Heavy-Duty Swing Seat and ensure continued safety.

5.1 Cleaning

- Wipe the plastic seat and vinyl-coated chains with a damp cloth and mild soap as needed.
- Rinse thoroughly with water and allow to air dry.
- Avoid harsh abrasive cleaners that could damage the plastic or vinyl coating.

5.2 Inspection

- Periodically check the swing seat, chains, and all connection points for signs of wear, damage, or

corrosion.

- Ensure all bolts and fasteners are tight.
- Replace any worn or damaged components immediately.

6. TROUBLESHOOTING

If you encounter any issues with your Swing-N-Slide Heavy-Duty Swing Seat, consider the following common solutions:

- **Swing feels unstable:** Check that the swing hangers are securely attached to the playset beam and that the carabiner clips are fully closed. Ensure the chains are of equal length.
- **Chains are pinching:** The chains are vinyl-coated to prevent pinching. If pinching occurs, inspect the coating for damage. Ensure users are holding the coated sections.
- **Excessive wear:** Regularly inspect the seat and chains for cracks, fraying, or rust. Replace components showing significant wear to maintain safety.

7. SPECIFICATIONS

Feature	Detail
Brand	Swing-N-Slide
Model Number	860200-010
Color	Green
Material	Plastic (Seat), Metal with Vinyl Coating (Chains)
Product Dimensions	6"D x 26"W x 2"H
Item Weight	1.3 pounds

Use	Residential Use Only

8. SAFETY INFORMATION

Your safety and the safety of others are paramount. Please adhere to the following safety guidelines:

- Always ensure the swing is properly installed and all connections are secure before each use.
- Regularly inspect the swing for any signs of damage or wear. Discontinue use if any damage is found and replace parts as necessary.
- Ensure adequate clearance around the swing to prevent collisions.
- Adult supervision is required for children using the swing.
- Do not allow users to stand on the swing seat unless it is specifically designed for standing (this model is a belt seat).
- This product is intended for residential use only.
