Elizabeth Arden 2688400

Elizabeth Arden Green Tea Scent Spray Eau de Toilette User Manual

Brand: Elizabeth Arden

Model: 2688400

PRODUCT OVERVIEW

The Elizabeth Arden Green Tea Scent Spray Eau de Toilette is an invigorating women's fragrance. It features sparkling top notes of bergamot and zesty lemon, opening to a refreshing green tea core. The fragrance is rounded out by jasmine and celery, with base notes of amber, musk, and oakmoss, creating a balanced and lush green perfume.

This scent is designed to energize the body, excite the senses, and invigorate the spirit.

FIRST USE

Before first use, ensure the cap is securely removed. The spray mechanism is designed for fine mist application.

For optimal performance, prime the pump by pressing it a few times until a consistent spray is achieved. This is typically only necessary for the initial use.

APPLICATION GUIDELINES

To release the fragrance throughout the day from the warmest points of your body, spritz the perfume onto pulse points. These include:

- Wrists
- Behind the ears
- Base of the throat
- Inner elbows
- Behind the knees

Hold the bottle approximately 5-7 inches away from the skin when spraying to ensure an even distribution of the mist.

CARE AND STORAGE

To preserve the quality and longevity of your fragrance, follow these guidelines:

- **Storage:** Store the bottle in a cool, dry place, away from direct sunlight and extreme temperatures. Heat and light can degrade the fragrance over time.
- **Cap Security:** Always replace the cap tightly after each use to prevent evaporation and maintain the integrity of the scent.
- **Handling:** Handle the bottle with care to avoid accidental drops or damage.

TROUBLESHOOTING

While issues with fragrance products are rare, here are some common concerns and their solutions:

- **No Spray/Weak Spray:** If the sprayer is not working, ensure it is not clogged. Gently wipe the nozzle with a damp cloth. If it's the first use, pump several times to prime the mechanism.
- **Scent Fades Quickly:** Fragrance longevity can vary based on skin type, climate, and application method. Ensure application to pulse points. Consider layering with complementary unscented body lotions or the Elizabeth Arden Green Tea Honey Drops Body Cream for extended wear.
- **Allergic Reaction/Skin Irritation:** Discontinue use immediately if any irritation, redness, or itching occurs. Consult a healthcare professional if symptoms persist. Always perform a patch test on a small area of skin before full application if you have sensitive skin.
