Turtle Wax T-79

Turtle Wax T-79 Zip Wax Liquid Car Wash and Wax 64 oz. Instruction Manual

1. INTRODUCTION

The Turtle Wax T-79 Zip Wax Liquid Car Wash and Wax is a 1-step product designed for cleaning and protecting vehicle surfaces. This formula features an improved foaming action to effectively lift dirt and grime, while carnauba wax provides an enhanced shine and protection. It is suitable for universal fitment on vehicles.

2. SAFETY INFORMATION

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Always read product labels for specific safety instructions.

- Keep out of reach of children.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use in a well-ventilated area.
- Store in a cool, dry place away from direct sunlight.

3. PRODUCT FEATURES

- **Fit Type:** Universal
- **Dries:** Spot-free finish
- **Formula:** Enriched with carnauba for enhanced shine and protection
- **Action:** New improved foaming action to lift away dirt and grime
- **Application:** 1-step clean and shine

4. SETUP & PREPARATION

Before applying the Turtle Wax Zip Wax, ensure your vehicle is cool to the touch and out of direct sunlight. This prevents premature drying of the product, which can lead to streaks. Gather your washing tools, including a clean wash mitt or sponge, two buckets (one for soap, one for rinsing), and a hose with a spray nozzle.

5. OPERATING INSTRUCTIONS

Follow these steps for optimal results:

1. **Rinse Vehicle:** Thoroughly rinse the entire vehicle with water to remove loose dirt and debris.
2. **Prepare Solution:** Pour 1 ounce (approximately 2 tablespoons) of Turtle Wax Zip Wax into a bucket and mix with 1 gallon of water. Adjust quantity based on bucket size and desired foam level.
3. **Wash Vehicle:** Apply the solution to a section of the vehicle using a clean wash mitt or sponge. Work from top to bottom, cleaning one section at a time.
4. **Rinse Section:** Immediately rinse the cleaned section with clear water before the soap dries. Do not allow the product to dry on the surface.
5. **Repeat:** Continue washing and rinsing the vehicle in sections until the entire car is clean.
6. **Final Rinse:** Perform a final rinse of the entire vehicle to ensure all soap residue is removed.
7. **Dry Vehicle:** For best results and to prevent water spots, dry the vehicle immediately with a clean, soft microfiber towel or chamois.

6. MAINTENANCE

Regular use of Turtle Wax Zip Wax helps maintain your vehicle's finish and protection. For best results, wash your car every 2-4 weeks, or as needed, especially after exposure to harsh environmental elements like road salt, bird droppings, or tree sap. Always use clean washing tools to prevent scratching the paint surface.

7. TROUBLESHOOTING

- **Streaks or Spots:** If streaks or spots appear, it may be due to the product drying on the surface before rinsing, or insufficient rinsing. Ensure you work in small sections and rinse immediately and thoroughly.
- **Lack of Foam:** If the product is not foaming adequately, check the dilution ratio. Ensure you are using the recommended amount of product per gallon of water.
- **Poor Shine:** For optimal shine, ensure the vehicle surface is completely clean before applying the product. Drying the vehicle immediately after rinsing with a clean, soft towel will also enhance the shine.

8. SPECIFICATIONS

Brand	Turtle Wax
Model Number	T-79
Item Form	Liquid
Item Weight	4.18 pounds (1.9 Kilograms)
Product Dimensions	5 x 4 x 9 inches
Specific Uses For Product	Wash
Recommended Uses For Product	Removes Dirt, For Paint Protection
