3. SETUP

1. **Unpack Components:** Carefully remove all items from the product packaging. Ensure all listed components are present.
2. **Review Instructions:** Begin by reading the included instruction book. This book provides foundational knowledge and specific steps for each trick.
3. **Organize Props:** Familiarize yourself with the special magic cards, dice, canister, and any other props. Keep them organized to prevent loss and facilitate learning.
4. **Prepare Your Practice Area:** Choose a quiet, well-lit area where you can practice without distractions. A flat surface is recommended for card manipulation.

4. OPERATING INSTRUCTIONS

This set is designed for manual operation, focusing on skill development and presentation. Each trick requires practice and understanding of its specific mechanics.

4.1 Learning the Tricks

- **Instruction Book:** The primary method for learning is through the included book. Follow the step-by-step diagrams and text carefully.
- **Practice:** Repetition is key to mastering any magic trick. Practice each step slowly until it becomes fluid and natural.
- **Presentation:** Beyond the mechanics, a good magic trick relies on presentation. Develop a patter or story to accompany your tricks to enhance the audience's experience.

5. MAINTENANCE

- **Storage:** Store all components in their original tin or a similar protective container to prevent damage and loss. Keep them in a cool, dry place away from direct sunlight.
- **Cleaning:** Keep the cards and props clean. Avoid handling them with dirty or greasy hands. If necessary, gently wipe plastic or metal components with a soft, dry cloth. Do not use water or cleaning solutions on cardstock items.
- **Handling:** Handle the cards and props with care to maintain their condition and functionality. Avoid bending, tearing, or creasing the cards.

6. TROUBLESHOOTING

Problem	Solution
Difficulty performing a trick	◦ Re-read the instructions in the book carefully. ◦ Watch the corresponding video tutorial on the Marvin's Magic App. ◦ Practice each step slowly and repeatedly until you gain proficiency. ◦ Break down complex tricks into smaller, manageable steps.
Missing a component	◦ Double-check all packaging materials. ◦ Contact Marvin's Magic customer support for assistance (see Section 9).
Cards are damaged or worn	◦ Ensure proper storage and handling (see Section 5). ◦ Replacement cards may be available through Marvin's Magic.
