

Lenco HiFi 880

Lenco HiFi 880 Bookshelf Speakers User Manual

1. INTRODUCTION

Thank you for choosing the Lenco HiFi 880 Bookshelf Speakers. This manual provides essential information for the safe and efficient use of your new audio system. Please read these instructions carefully before installation and operation, and retain them for future reference.

2. SAFETY INFORMATION

- **Power Source:** Ensure the speakers are connected to a power source that matches the voltage specified on the product label.
- **Ventilation:** Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- **Water and Moisture:** Do not expose the speakers to dripping or splashing water. Do not place objects filled with liquids, such as vases, on the speakers.
- **Heat:** Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- **Cleaning:** Unplug the speakers from the power outlet before cleaning. Use only a dry cloth.
- **Servicing:** Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- **Magnetic Shielding:** These speakers feature magnetic shielding. However, it is advisable to keep them at a reasonable distance from sensitive electronic equipment to prevent interference.

3. PACKAGE CONTENTS

Please check that all items are present in the package:

- 2 x Lenco HiFi 880 Bookshelf Speakers
- 1 x Remote Control
- 1 x Power Adapter (for active speakers, implied)
- 1 x User Manual (this document)

4. PRODUCT OVERVIEW

The Lenco HiFi 880 speakers are a pair of 3-way bookshelf speakers designed to deliver clear and powerful audio. They feature a robust aluminum housing and an acoustic grill system for optimal sound reproduction. With Bluetooth connectivity and remote control operation, these speakers offer versatile audio playback options.

This image displays a pair of Lenco HiFi 880 bookshelf speakers. Each speaker features a silver-colored aluminum casing and a white mesh acoustic grill covering the speaker drivers. The Lenco logo is visible at the top of each speaker.

5. SETUP

5.1 Speaker Placement

For optimal sound quality, place the speakers on a stable, flat surface such as a bookshelf or speaker stand. Position them at an equal distance from your listening position, forming an equilateral triangle for the best stereo imaging. Avoid placing them directly against a wall if possible, to allow for better bass response.

5.2 Power Connection

1. Ensure the speakers are switched off.
2. Connect the power adapter to the designated power input on the back of the main speaker.
3. Plug the power adapter into a suitable wall outlet.

5.3 Inter-Speaker Connection

Connect the main speaker to the secondary speaker using the provided speaker cable. Ensure correct polarity (positive to positive, negative to negative) for optimal sound.

6. OPERATION

6.1 Powering On/Off

Press the power button on the main speaker or the remote control to turn the speakers on or off. An indicator light will illuminate when the speakers are active.

6.2 Volume Control

Adjust the volume using the volume controls on the main speaker or the remote control. Increase volume by pressing '+' and decrease by pressing '-'.

6.3 Source Selection

If your speakers support multiple input sources, use the 'Source' button on the remote control or the main speaker to cycle through available inputs (e.g., Bluetooth, AUX).

7. BLUETOOTH CONNECTIVITY

The Lenco HiFi 880 speakers feature Bluetooth wireless technology for streaming audio from compatible devices.

7.1 Pairing with a Bluetooth Device

1. Ensure the speakers are powered on and in Bluetooth mode. If not, select Bluetooth mode using the source button. The Bluetooth indicator light will typically flash, indicating it's in pairing mode.
2. On your audio device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
3. Select "Lenco HiFi 880" from the list of found devices.
4. Once paired, the Bluetooth indicator light on the speakers will become solid, and you can begin streaming audio.

Note: If prompted for a password, enter "0000" (four zeros).

8. MAINTENANCE

8.1 Cleaning

To clean the speakers, first disconnect them from the power supply. Use a soft, dry cloth to wipe the surfaces. Do not use abrasive cleaners, waxes, or solvents as these can damage the finish. For the acoustic grill, a soft brush can be used to gently remove dust.

8.2 Storage

If storing the speakers for an extended period, ensure they are clean and dry. Store them in a cool, dry place, away from direct sunlight and extreme temperatures. It is recommended to use the original packaging for protection during storage.

9. TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power cable not connected; Power outlet not active; Speakers switched off.	Check power cable connection; Try a different outlet; Press the power button.
No sound	Volume too low; Incorrect input source selected; Device not paired (Bluetooth); Speaker cables loose.	Increase volume; Select correct input source; Re-pair Bluetooth device; Check speaker cable connections.
Bluetooth pairing fails	Speakers not in pairing mode; Device too far; Interference.	Ensure speakers are in pairing mode; Move device closer; Turn off other Bluetooth devices.
Sound distortion	Volume too high; Audio source issue.	Reduce volume; Check audio source for distortion.

10. SPECIFICATIONS

Model Name	HiFi 880
Speaker Type	Bookshelf, 3-way home speaker
Nominal Output Power	2 x 50 Watts
Maximum Output Power	100 Watts
Connectivity Technology	Bluetooth
Control Method	Remote Control
Included Components	Aluminum housing, acoustic grill system, remote control
Speaker Dimensions (driver)	101.6 Millimeters
Product Dimensions (each speaker)	11.5 x 11.5 x 18.5 cm
Product Weight (pair)	3.26 kg
Color	Silver
Magnetic Shielding	Yes
Compatible Devices	Personal computer, laptop, tablet, smartphone, projector
Surround Sound Configuration	2.0
Mounting Type	Tabletop

11. WARRANTY AND SUPPORT

11.1 Limited Warranty

The Lenco HiFi 880 speakers come with a limited warranty. Please refer to the warranty card included with your product or visit the official Lenco website for detailed terms and conditions regarding warranty coverage and duration.

11.2 Customer Support

For technical assistance, troubleshooting beyond this manual, or warranty claims, please contact Lenco customer support. Contact information can typically be found on the official Lenco website or on your product packaging.
