

## Husky Liners 51081

# Husky Liners Heavy Duty Front Floor Mats (Model 51081) - Instruction Manual

For 1984-2001 Jeep Cherokee, 1993-2004 Jeep Grand Cherokee, and 2007-2009 Jeep Wrangler JK

## 1. INTRODUCTION

This manual provides instructions for the installation, care, and maintenance of your Husky Liners Heavy Duty Front Floor Mats, Model 51081. These floor mats are designed to offer robust protection for your vehicle's interior, featuring a durable DuraGrip HD construction.

The Husky Liners Heavy Duty Front Floor Mats are custom-fit for the following vehicles:

- 1984 - 2001 Jeep Cherokee
- 1993 - 2004 Jeep Grand Cherokee
- 2007 - 2009 Jeep Wrangler JK

## 2. SETUP AND INSTALLATION

---

Installing your Husky Liners Heavy Duty Front Floor Mats is a straightforward process that requires no special tools. Follow these steps for proper placement:

1. **Prepare the Vehicle Floor:** Ensure the vehicle's floorboards are clean and free of debris before installing the new mats. Remove any existing floor mats.
2. **Position the Mats:** Place the driver's side mat in the driver's footwell and the passenger's side mat in the passenger's footwell.
3. **Secure the Mats:** The mats are designed with StayPut Cleats on the underside. These cleats grip the vehicle's carpet to prevent the mats from shifting during use. Ensure the mats are firmly pressed into place to engage these cleats.
4. **Verify Fitment:** Confirm that the mats are properly seated and do not interfere with the operation of the accelerator, brake, or clutch pedals. The custom design should provide a precise fit.

### 3. OPERATING AND FEATURES

---

Your Husky Liners floor mats are engineered with several features to enhance vehicle interior protection and user experience:

- **DuraGrip HD Construction:** The rubberized material absorbs impact and provides a comfortable surface for your feet, reducing fatigue during driving.
- **Air Dry Nibs:** The underside of the mats features Air Dry Nibs, which elevate the mat slightly to allow air circulation. This helps prevent moisture buildup between the mat and the vehicle's floor, keeping both dry.
- **Anti-Skid Surface:** The textured surface provides enhanced traction, preventing feet from slipping, even when wet.
- **Raised Perimeter Edge:** A raised edge around the perimeter of the mat helps contain spills, dirt, and debris, keeping them off your vehicle's carpet.
- **Driver's Heel Pad:** An extra-thick heel pad is integrated into the driver's side mat for increased durability and protection in high-wear areas.

### **GET INTO THE THICK OF IT.**

Our Drivers Heel Pad is made extra thick for added protection from your lead foot.

### **CONTAIN YOURSELF.**

The perimeter edge is raised to help keep all manner of mess contained, right where you want it.

### **OUT OF THE MUCK.**

Our raised ridges help to keep your feet out of the mud, water, and dirt you just tracked in. You're welcome.

### **BORN IN THE USA. MADE IN THE USA.**

We pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation, under God, indivisible, with Liberty and Justice for all. Need we say more?

## **4. MAINTENANCE AND CLEANING**

Maintaining your Husky Liners floor mats is simple and helps prolong their lifespan and effectiveness:

- **Regular Cleaning:** For routine cleaning, simply remove the mats from your vehicle.
- **Washing:** Hose down the mats with water to remove loose dirt and debris. For tougher grime, a mild soap and brush can be used.
- **Drying:** Allow the mats to air dry completely before reinstalling them in your vehicle.
- **Chemical Resistance:** These mats are resistant to most common chemicals, making cleanup of various spills easy.

## 5. TROUBLESHOOTING

If you encounter any issues with your Husky Liners floor mats, consider the following common solutions:

- **Mat Shifting:** Ensure the mats are properly seated and pressed down to engage the StayPut Cleats. If the vehicle's carpet is heavily worn, the cleats may have reduced grip.
- **Improper Fit:** Double-check that the correct model (51081) is installed for your specific vehicle year and model (Jeep Cherokee 1984-2001, Jeep Grand Cherokee 1993-2004, Jeep Wrangler JK 2007-2009). While designed for a precise fit, minor adjustments may be needed upon initial installation.
- **Odor:** New rubber products may have a slight odor. This typically dissipates over time with ventilation. Cleaning the mats and allowing them to air out can help.

## 6. SPECIFICATIONS

### Product Specifications - Husky Liners Heavy Duty Front Floor Mats (Model 51081)

Feature	Detail
Model Number	51081
Brand	Husky Liners
Color	Black
Material	Rubberized DuraGrip HD
